9. DEPENDENTS' ALLOWANCE AND ASSIGNED PAY

1. Dependent's allowance and assigned pay is issued for the sole purpose of maintaining the dependents concerned and airmen have no right to ask or demand that their dependents remit to them any portion of the allowance or assigned pay.

2. Airmen, in some instances, have demanded that their wives remit to them a portion of the dependents' allowance and assigned pay received by their wives, and have threatened to have the allowance and assigned pay discontinued if such remittances are not forthcoming. In certain cases, airmen have made false allegations against their wives because such demands have not been complied with.

3. Applications from airmen to discontinue assigned pay to their wives on the grounds of alleged infidelity will not be entertained unless the airman produces evidence, in the form of a letter or otherwise, of a nature and from a source which satisfies the commanding officer beyond reasonable doubt that the charges are well founded.

4. In cases where such evidence is produced, and the application is sent forward, it will be submitted to the Dependents' Allowance Board. The Board will conduct an investigation of the case, and decide whether or not dependents' allowance and assigned pay is to be discontinued. Until such decision is given and communicated to the airman's unit accountant officer through the usual channels, deduction of assigned pay is to be continued.

In order to ensure that replies to correspondence are delivered with a minimum of delay to the official dealing with the subject matter, all outgoing correspondence is, in future, to bear the Station abbreviation of the official initiating the subject.

The abbreviation, in brackets, is to follow immediately after the file number e.g.

File 14-1-2 (Adm.2)
File 1-10-3 (Adm.)
File 7-1-1 (S.G.O.)
File 3-1-7 (A.A.S.)

It is obvious that this method, when taken into general use, will expedite the distribution of all incoming correspondence through Central Registry and ensure that it is placed immediately in the hands of the Official awaiting its receipt.

NOTICES

STEALING - Stealing amongst Airmen in the Barrack Rooms and elsewhere is becoming far too prevalent. It is pointed out that stealing from a comrade, besides being a dirty trick, is a most serious offence under Section 18, sub-section 4, (Air Force Act). Any person found guilty of this offence will be dealt with most severely.

All personnel are reminded of the Concert to be given in the Recreation Room at 2000 hours on Tuesday, November 4th., 1941.

As this concert, provided by the Kiwanis Club of Belleville, promises to be an unusually interesting one and the seating accomodation is limited, all those wishing to attend should be in their seats not later than 1955 hours.

All former members of No. 119 (BR) Squadron, as of October 1, 1939, are to report to the Disciplinarian's Office at once concerning a reunion of members of that Unit to be held early in January at Hamilton, Ontario.

8. STEALING

Stealing amongst Airmen in the Barrack Rooms and elsewhere is becoming far too prevalent. It is pointed out that stealing from a comarade, besides being a dirty trick, is a most serious offence under Section 18, sub-section 4, (Air Force Act.) Any person found guilty of this offence will be dealt with most severely.

9. WEARING OF POPPIES

A small poppy only may be worn on the cap badge by all ranks while on or off duty during the period 8th. November to 11th. November inclusive.

The wire of the poppy is to be inserted around the cap badge so that the poppy will rest on the left shoulder of the badge.

A poppy is not to be worn on any other part of the uniform.

10. CONDUCT OF CORRESPONDENCE

Attention is directed to the instructions laid down in Air Force Administrative Order A.31/2. All correspondence between Air Force Headquarters and stations or units in a command is to go through command headquarters, except as laid down in paras. 14 and 15 of the above order.

These exceptions do not authorize direct correspondence in other than technical matters, and it is essential that the terms of this order are complied with strictly, so that commands are at all times informed fully.

11. IDENTITY DISCS

R.C.A.F. personnel of the Jewish faith are to be issued with identity discs bearing a religious symbol "O.D." (Other Denominations) rather than "J" (Jewish), unless they specifically request identity discs bearing the latter symbol.

Personnel of the Jewish faith who have already been issued with identity discs may request, through the proper channels to Air Force Headquarters in the case of officers and the Director of Airmen Personnel Services in the case of airmen, that new identity discs bearing the symbol "O.D." stamp thereon be issued; in which case their old identify discs are to be collected by the units and returned to the source concerned.

Air Force Administrative Order A.12/7 will be amended accordingly.

12. MISUSE OF BARRACK EQUIPMENT

Frequent instances have occured recently where sheets and pillow cases have been burned with pressing irons. All personnel are warned that the practice of using sheets or pillow cases for any purpose other than that for which they are intended is to cease forthwith. Disciplinary action will be taken if these instructions are disregarded.
