NOTICES - FREE MOVIES

On Wednesday September 24th, beginning at 2000 hours, a free movie
will be shown to the personnel of this Station in the Station Theatre.

The film is made up of a number of sequences taken on fishing trips
throughout Canada. These pictures were taken by Mr. William Lang of
Toronto who will be here to explain them. Mr. Lang is one of Canada's really
outstanding fisherman and at his last visit to our Station he was enthusiastic-
ally received.

This is an excellent opportunity for the fishermen on this Station
to see pictures of the art at its best.

9. WATER SUPPLY

1. The shortage of water at this Station has become so acute that, unless immediate co-operation of all personnel is secured to conserve the supply, which is secured from the Town of Trenton, it will be necessary to provide water from the reserve main in the Bay of Quinte.
2. It is desired to point out that this water requires an unusually large dosage of chlorine to destroy any harmful bacteria and, therefore, will be decidedly unpalatable.
3. The water supply from Trenton may be still adequate if the following rules are adhered to closely:-
 - (1) Economize on the amount of water drawn from taps for all washing purposes.
 - (2) Shorten the length of time taking showers, and close the valves immediately after use.
 - (3) Restrict the use of hoses for washing hangar floors and aircraft, and for watering lawns.
 - (4) Defer using water from hydrants for fire drill or other purposes until the water has returned to normal.

11. COURT OF INQUIRY

A Court of Inquiry composed as hereunder will assemble by order of Wing Commander G. P. Dunlop, Commanding R.C.A.F. Station, Trenton, Ontario, at a time and place to be decided upon by the President for the purpose of investigating and reporting upon the alleged desertion of No. R103126 LAC Cooper, D.J., Composite Training School.

Member: Flying Officer A.V. Doran (C5870)

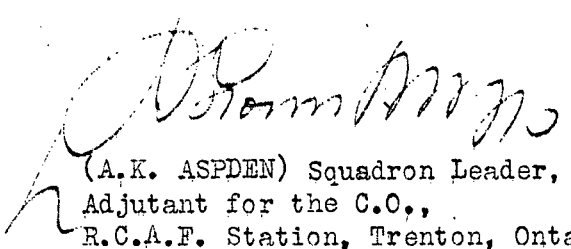

12. ISSUE OF OUTFIT ALLOWANCE

R.C.A.F. Commissioned Graduates of the B.C.A.T.P.

1. R.C.A.F. commissioned graduates of the B.C.A.T.P., who purchase their uniforms in Canada, are to prepare claims for outfit allowance on Form R.C.A.F. E171 at the Station where they graduated, or at the Unit to which they are next posted. Orders have been issued to the effect that the Commanding Officer is to satisfy himself by inspection that the uniforms provided by such graduates are suitable before authorizing payment of outfit allowances.

2. Additionally, it is necessary for the authorizing officer to ensure that the graduates produce to him receipted bills for the uniforms, or alternatively that they assign their outfit allowance to their tailors.

3. The Accountant Officer of the graduating Station is to impress upon each graduating class the necessity for those commissioned to produce their receipted bills when they wish to claim for outfit allowance, since failure to do so can result only in lengthy delay before payment can be obtained.

PART I ADMINISTRATION
"A" GENERAL

10. ELIGIBILITY FOR DEPENDENTS' ALLOWANCE - CEASED TRAINING AIRCREW

Regulations prescribe that airmen may not be granted permission to marry until they have completed six month's service and it is further provided that allowances will not be payable in such cases until the airman's training has been completed. In the case of an airman marrying without permission, allowances will not be paid until six months after he has declared his marriage to his Commanding Officer, or completed his training whichever is the later. Aircrew whose period of training is long drawn out by reason of delay in commencing or interruption in a course, under these regulations might have to wait a lengthy period before qualifying for entitlement to Dependents' Allowance.

To be entitled to Dependents' Allowance an airman must complete his course of training even if it involves two or more separate courses as may occur in the case of an airman who remusters from pilot to observer and then to wireless air gunner which might involve ten or more months training.

Airmen enlisted for aircrew must therefore complete their original course, or any other aircrew course to which they are remustered, prior to becoming eligible for the issue of dependents' allowance.
