Overview

Context

This DAOD deals with the BCP Program and its governance at strategic and operational levels.

The BCP Program is consistent with:

- the GSP;
 - the *Operational Security Standard – BCP Program*; and
 - the *National Defence Security Policy*.
-

Purpose

The purposes of the BCP Program are as follows:

- to ensure the continuity of critical operations and the continued availability of DND and CF critical services and associated assets, as well as other DND and CF services and associated assets when warranted by a threat and risk assessment, in a manner that is cost effective and consistent with DND and CF strategic direction; and
 - to provide confidence to DND employees, CF members, stakeholders and other Canadians that the DND and the CF are capable of continuing critical operations and delivering DND and CF critical services in the face of any disruption of domestic, continental or international activities.
-

Operating Principles

General	<p>The BCP Program consists of the following four elements:</p> <ul style="list-style-type: none">• a governance structure within the context of the <i>National Defence Security Policy</i> that establishes authorities and responsibilities for the BCP Program, and provides for the development and approval of business continuity plans;• a BIA process to identify and prioritize DND and CF critical services and associated assets;• plans, measures and arrangements to ensure the continued availability of DND and CF critical services and associated assets, and of any other service or asset if warranted by a threat and risk assessment; and• activities to monitor the DND and CF level of overall readiness by the continuous review, testing and audit of business continuity plans.
BCP Program Governance	<p>The BCP Program governance creates a process structure for all persons involved in the BCP Program. The Defence Management Oversight Committee (DMOC) acts as the steering committee for the BCP Action Team. A communications plan is developed as part of the governance of the BCP Program.</p>
BCP Action Team	<p>DGCSS and DG Plans are normally the co-chairs of the DND and CF BCP Action Team.</p>
BCP Action Team Working Group	<p>Representatives from DGCSS and the SJS report directly to the co-chairs of the DND and CF Action Team and are jointly responsible for:</p> <ul style="list-style-type: none">• obtaining senior management support and funding for BCP;• making recommendations to the ADM(Fin CS) and DOS SJS on the policy and governance structure of the BCP Program;• ensuring the development of a strategy to communicate BCP activities to DND employees, CF members and stakeholders;• establishing BCP Program working groups, and defining their roles and responsibilities;• ensuring the completion of the BIA, and the development and maintenance of business continuity plans;• ensuring that Information Management (IM), Information Technology (IT), and other continuity plans and arrangements are fully integrated into the BCP Program;• providing for regular training, review, testing and audit of the BCP Program;• collaborating with the IT Security Coordinator; and• liaising with the DSO to ensure consistency of the BCP Program with the <i>National Defence Security Policy</i>.
Training	<p>Government of Canada BCP training offered by the Canada School of the Public</p>

Service shall be provided to appropriate DND employees and CF members involved in BCP.

The DND and the CF Force Protection Program Course shall provide participants with a clear understanding of the BCP Program.

Protocols and Understandings

To assist with continuity, response and recovery efforts in a coordinated manner by the DND and the CF, BCP protocols and understandings may be established with:

- other federal government departments and agencies;
 - provincial, territorial and municipal civil authorities; and
 - foreign governments and agencies.
-
