Re: Tom H. Wong,
Liberty Food Store, Nelson, B.C.

The above mentioned who came to Canada some thirty seven years ago is well known to us and has been a customer for a number of years as a partner in the Liberty Food store in partnership with G. D. Hing Wing and George Kiaway. They operate a cash and carry Grocery and Meat Market which has a turnover in excess of \$200,000. a year. Including stock, equipment, and other property the business is valued at \$45,000. which would make Mr. Tom Wong's 1/3 interest worth approximately \$15,000. In addition to this he has Dominion of Canada Bonds of \$600. and a Savings Account of around \$1,000. We know him to be a man of good character and integrity and feel satisfied that any statements made by him can be relied upon.
