DETACHMENT

Dear Bill,

Please excuse me for not writing you any earlier, but I was too busy with other work in mass org.

P.C.R.

In regards Trib, we have not yet made serious efforts in our drive, but soon as I will be freed from work in mass org. then we will get busy and I want to believe that quota will be realized. In mean time I am sending you half of our quota.

Nigel meeting was quite successful. There were about twenty five people present who have enjoyed the speech from beginning to the end. I think, that in the future we should make an attempt to organize meeting in the town.

A. R. V. No.

There has been not much activities in the club, except through individual efforts, but I soon I would have to get them to-gather, may be something could be squeezed-out.

I see that we are going to have election in the next month, but so far there isn't much of interest amongst the people.

With comradely greetings,

Steve

Re: L.P.P. Documentary Evidence
B.C. Generally

FORWARDED for your information together with two copies of each of the documents referred to. The film negatives of these documents are being retained in our Divisional Numerical Exhibit System and are identified as Reels W, X, Y and Z 25 and A and B 26.

2. Documentary Exhibit E20620 relates to Party activity in the Lake Cowichan L.P.P. Club.
3. Documentary Exhibit E20639 contains notes on a discussion regarding 1959 B.C. Provincial Training School of the L.P.P. The note regarding leakage of information relates to the Provincial Executive meetings and our file on the L.P.P. B.C. Provincial Executive shows that this leakage was believed to have been traced to the wife of Harold GRIFFEN.
4. Documentary Exhibit E20649(1) relates to the activities of the Victoria L.P.P. Club and not to the L.P.P. Victory Square Club. Documentary Exhibit E20649(2) is an assessment appeal to all Party Clubs signed by the Provincial Treasurer of the L.P.P., Lionel EDWARDS. The lower portion of this form is a return from the Victoria L.P.P. Club signed by Ernest KNOTT, Organizer.
5. Documentary Exhibits E20653 and 54 are misdated. We believe that the caption of these should show the date 1959.
6. Documentary Exhibit E20667 relates to the Civic Elections at Fernie, B.C. in paragraph 1.
7. Documentary Exhibit E20670 relates to activities in the Lake Cowichan L.P.P. Club. The DARCHAN referred to in Documentary Exhibit E20670 is Darchan Sing SANGHA who is now in India.
8. Documentary Exhibit E20674 is most interesting in that it reveals a new structure for the Party's Regional Committees in B.C. This document will be further commented on in separate correspondence from this Division.
9. Documentary Exhibit E20678 relates to activities in Local 1-217 of the I.W.A., and the activities of the Right Wing faction of that Local to draw attention to the background of the Leftists, who contested and subsequently won election as the 1959/60 Executive of that Local.
10. Documentary Exhibit E20681 relates to L.P.P. activities on Vancouver Island and to the tour of Leslie MORRIS during his visit to B.C.

Bill Stoodhoff,
Coleman, B. C.

Dear Bill:

When I was in Coleman recently I undertook to obtain a copy of the IMA's Interior Wage Scale for you. I haven't yet been able to get the Western Interior scales. However I think this one for Prince George is ~~the~~ now pretty well the rate for all interior operations, which as you'll see from the press clipping have a BASIC LABOR rate of \$1.51 per hour.

I hope the information will be of some help to you, and if you should need assistance in getting organized you could either drop a line to the IMA's Canadian District Office, P/O 65 Kingsway, Vancouver, B.C. or to the Business Agent, International Woodworkers of America (IWA), Cranbrook, B.C.

If there is anything further I can do to be of assistance to you don't hesitate to drop me a line. With kindest personal regards to you and your wife,

C cordely,

Nigel Stoodhoff

EDMONTON, ALBERTA

November 19, 1958

Dear Comrade,

Our October Provincial Convention of the Party instructed the incoming Provincial Committee to establish a finance committee of the Provincial Executive to begin a systematic check on the financial standing of the Party.

The Executive has established such a committee and it is now working.

The Committee in its study of finances views with some concern the condition of the 1958 National Party Fund. To carry through its work it will have to depend on the cooperation of the whole party to fight for finances for Party work. NPF is the pivot of this relationship.

Enclosed is an up-to-date statement of funds received for NPF from all clubs and members at large in 1958.

You should study your own monthly report also. It makes the problem of funds more concrete for your area, because it shows how much and how often the Party receives help from its membership.

Note in this that there are several areas that have assumed the responsibility and asked on it.

The Committee urges all areas that are in arrears to take emergency action to clean up the outstanding balances of NPF for this year. This is the first step toward reorganizing finances.

The Committee, under direct supervision of the Provincial Executive, is drafting a budget for 1959; preparing some measures to re-organize finances; preparing suggestions for the 1959 NPF etc.. This information will be sent out well in advance for January meetings.

At this time, the Committee again urges you to take speedy action on your 1958 National Party Fund balances.

Comradely yours,
W. A. Tuzni

TRIB

November 26,

NEWS BULLETIN

This News Bulletin will again deal exclusively with Trib campaign news. Only 4 weeks are left before the festive season to accomplish our goal. If you have read this week's Trib, you'll know that we are pledged to 150 new subs and 100 renewals. A total of 250!

.....

The Trib reports that we already have 53 subs to our total, and more subs have come in during the past week from Calgary, Innisfree, Grande Prairie, Edmonton, Nestow, Medicine Hat, Thorhild, plus some direct renewals of which we have as yet no record.

We estimate that at this time, we have 75 subs in.

.....

That it can be done 's shown by a number of comrades: Bill O., Edmonton-Jubilee has 4 new and 4 renewals in; Jim M. Edmonton hotel worker has 2 new and 1 renewal; Dan S. Innisfree has 3 new; Bill T of Edmonton north east has 3 new; Edith L of Hoadley-Homeslen has 1 new and 2 renewals; from Nestow - Sam M. has 2 new and John H - 1 new; from Calgary - Dave R - 2; Art - 1, Terry L - 1, Gordon - 1, Ann T - 1, and George S - 1; Pauline D of Edmonton-North east - 2 new; C.R.F. of Medicine Hat - 1 new and 1 renewal; Tony J., Thorhild - 1 new; W.A.S of Grande Prairie - 1 new and Chas H., of Hoadley-Homeslen - 1 new.

.....

LPP

By clubs the picture is like this:

Please copy in Alberta Year

E	Edmonton-Jubilee	✓	- 8	E	Thorhild	✓	- 3
E	Edmonton-North east	✓	- 5	E	Nestow	✓	- 3
E	Edmonton-West		- 3	E	Innisfree	✓	- 3
E	Calgary South	✓	- 3	E	Hoadley-Homeslen	✓	- 4
E	Calgary North		- 3	E	Medicine Hat	✓	- 2
E	Calgary M. Pop		- 1		Grande Prairie		- 1

.....

This is encouraging, but the pace has to be accelerated if we are to have a good showing for Alberta by December 31.

.....

We have not heard from a number of clubs and individuals. We don't want to mention names, but would these people write in and send in those subs. REMEMBER RENEWALS COUNT. We are sending you January expirations.

ALBERTA NEEDS TO GET 40 SUB A WEEK. WE CAN DO IT. WE NEED TO. WILL YOU HELP?

The delegate from Wainwright pledged 5 subs by his club, promising that 2 of these will come through his own personal efforts.

Members at large, without the benefit of clubs, contributed to the spirited action for the Trib. Two comrades from Metaskiwin pledged 3 subs during the drive. They were followed by the one comrade from Donalds who pledged 2 and challenged all other members-at-large in the province (there are 26 of them) to go out and get 2.

The Edmonton-West club pledged 10 subs

Jim S of Calgary Matt Pop challenged the Edmonton-Jubilee club to match the 10 subs they intend to get. Bill H., accepting this, bounced it back to Calgary by challenging the Calgary North to go out and find 10.

Don S. of Innisfree, who had pledged 2 at the September Provincial Committee meeting, showed them to the Convention to prove that he had meant it, and then pledged another 4 more by January 1st..

At the September P.-ov. Comm. meeting, members of the Committee pledged a total of 48 subs. Some of them are now included in club challenges.

RESULTS TO November 13:	Edmonton	- 13	≡	<u>Hoodley-Homesler</u>	- 4
	Calgary	- 2	≡	<u>Reston</u>	- 1

Since the Trib Bureau letter went out, subs have started rolling in. The above is a beginning of our effort. Individually the results are from: (Edmonton) - Bill T. - 3, Bill O - 6, Jim M - 2, Pauline D - 2; (Calgary) - Dave R and Geo. S - one each; (Hoodley-Homesler) - Edith L - 3, Chas H. - 1; (Reston) - Sam N - 1 Now, can we hear from Thornhill, Innisfree, Hamlin, New Kiev, St. Paul, Calgary, Lethbridge, Coleman, Drumheller Valley, Medicine Hat, etc., etc., etc.

HAVE YOU ORDERED YOUR COPIES OF Tim Buck's "CANADA in the WORLD CRISIS" ?

Dave R. of Calgary is setting the pace with the pamphlet. He ordered 25 copies for his personal use. Drumheller and Hamlin (MC) have placed orders. They cost 12¢ each in orders of 5 or more. Place your order with "WORLD BOOKS".

We are now in the season of the change of Party membership cards. The 1959 card is issued on payment of the National Convention Assessment (1958). While dues do not have to be paid to the end of the year before the NCA is collected. The new card cannot be given to the member until this is done. Note also that NCA stamps are \$1.00 (for 25¢ dues) and \$2.00 for all others.

Of the 44 comrades who joined our party as new members in 1958, those who joined after September 1 do not pay the 1958 NCA. Their 1959 cards should be ordered.

November 19, 1958

Dear Comrades,

Our October Provincial Convention of the Party instructed the incoming Provincial Committee to establish a finance committee of the Provincial Executive to begin a systematic check on the financial standing of the Party.

The Executive has established such a committee and it is now working.

The Committee in its study of finances views with some concern the condition of the 1958 National Party Fund. To carry through its work it will have to depend on the co-operation of the whole party to fight for finances for Party work. NPF is the pivot of this relationship.

Enclosed is an up-to-date statement of funds received for NPF from all clubs and members at large in 1958.

You should study your own monthly report also. It makes the problem of funds more concrete for your area, because it does show how much and how often the Party receives help from its membership.

Note in this that there are several areas that have assumed the responsibility and acted on it.

The Committee urges all areas that are in arrears to take emergency action to clean up the outstanding balances of NPF for this year. This is the first step toward reorganizing finances.

The Committee, under direct supervision of the Provincial Executive, is drafting a budget for 1959; preparing some measures to re-organize finances; preparing suggestions for the 1959 NPF, etc.. This information will be sent out well in advance for January meetings.

At this time, the Committee again urges you to take speedy action on your 1958 National Party Fund balances.

On first place, I have to apologize for not replying to your correspondence. During the summer it was very hard to get together - number of them have been out searching for jobs the others have been holidaying, but since the holidays are over, there is a prospect to orginize a meeting. If you are planning to make a tour towards the end of Sept. or begining of Oct. then stipulate to be in Coleman on Sat. so we will try to orginize a social, but please, let us know a few weeks in advance.

P.C.R.

Next week I may go to Radium Hot Springs, B.C. to enjoy holidays in conjuction with work, I will be staying there about ten days and after my return, I will be devoting all my spare time for organization work.

A. R. V. No.

The situation in the Pass is very grim - the employed miners working one or two days a week, the unemployed are drawing their meagre insurance, and even that for some miners will expire within next few weeks. Miners with families have been fortunate to ge t job in forestry or on highway, but this will last few weeks more and then we could expect serious economical situation.

REVIEWED SPECIAL BR. RECORDS DATE 30/10/1958

The struggle of unemployed workers for their existance is a serious prospective at forth coming winter

With comradly greetings i remain Steve
