Serial No. 212,
September 4, 1941.

Issued by Group Captain T. A. Lawrence
Commanding R. C. A. F. Station, Trenton, Ontario.

PART I ADMINISTRATION
"A" GENERAL

10. WILLS

1. The attention of all officers and airmen is directed to Air Force Administrative Order A.42/11.
2. With few exceptions, every officer and airman is possessed of a service estate consisting of accrued pay and allowances, unpaid travelling claims, cash on hand, personal belongings, etc., which is more easily distributed if a will has been made. The lack of a will precludes a speedy disposition of such estate and, in nearly every instance, involves the estate in administrative costs which otherwise would not have been incurred.
3. If no will has been made, one should be made immediately after attestation. Form R.C.A.F. R.60 has been designed for the convenience of personnel as it may be utilized as a will form or to indicate the location of a will if one already exists.
4. Wills may be filed with Air Force Headquarters, or if desired, may be deposited elsewhere for safekeeping. If a will is not filed with the R.C.A.F., the statement as to its location on the reverse side of form R.C.A.F. R.60 should be completed.
5. Overseas trainees who have made new wills since arriving in Canada are instructed to leave such wills at their respective units or, in lieu thereof, deposit a statement showing the location of the will.
6. The laws of all the provinces of Canada, except one, provide that marriage subsequent to the date of the will revokes that will. Therefore, an officer or airman, immediately upon his marriage, should make a new will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as set out in his will.

(T.C. Order No. 998, d/29-8-41.)

11. DRIVERS TESTS

The undermentioned Airmen have successfully passed their Driver's Test on Fire Engine, R.C.A.F. No. 533, and are thoroughly acquainted with Station and Highway Traffic Regulations:

All personnel must be paraded in the order in which their names appear on the acquittance rolls, regardless of rank, in order that the whole Station is paid as rapidly as possible.

PART I ADMINISTRATION

13. PEDESTRIANS' RIGHTS ON THE HIGHWAYS

Several serious accidents involving service personnel have occurred recently due to failure on the part of the injured personnel to walk on the left hand side of the road facing the oncoming traffic.

Certain provinces have enacted legislation directing that pedestrians using the highways should walk facing oncoming traffic and personnel are warned that non-observance of this rule on their part may have the effect of nullifying any claim they may make in respect of injuries suffered.

14. ABSENTEES FROM CLASSES OF AIRCREW EMBARKING FOR OVERSEAS

Personnel are failing to report promptly at the "Y" Depot at the expiration of embarkation leave. Such failure to report is causing serious disruption of arranged schedules and in some cases is causing delay in departure.

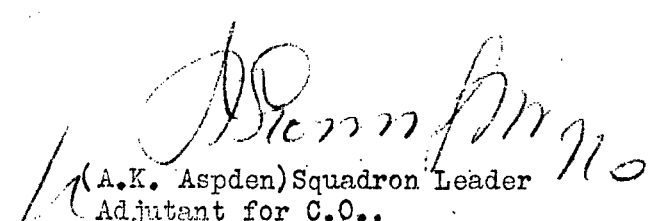

All such absentees may be considered as deserters, and hereafter strict disciplinary measures will be taken against offenders. Pre-arranged schedules for embarkation overseas must be adhered to and personnel must co-operate or render themselves liable to a charge of desertion.

15. ACCOUTREMENTS AND EQUIPMENT - AIRMEN - PRIVATE TRUNKS & SUITCASES

Regulations provide that, on enlistment, civilian clothing is to be returned to the airman's permanent private address in Canada or U.S.A. at government expense. The two kit bags issued by the service are sufficient to accommodate the necessary and authorized kit for Air Force duty.

In spite of the above regulation, airmen are arriving at units with one or more suitcases and trunks.

All units, particularly "H" Depots, are to ensure that suitcases and trunks are not sold in service canteens, and that any such luggage, now at units, is taken home by the owners on their next leave.
