All outstanding books now in the possession of Officers and Airmen are to be returned to the Librarian before 2000 hours on Wednesday, October 29th.

12. AMENDMENT TO STATION STANDING ORDERS

- (a) Low flying over Bowness Park, Alberta, contrary to Station Standing Orders
- (b) Flying so as to be likely to cause unnecessary annoyance to a person

2. He was sentenced to be reduced to the ranks and to twenty-eight days' detention. The finding and sentence having been confirmed by the Air Officer Commanding, No. 4 Training Command, Regina, Saskatchewan, were promulgated to the accused.

1. [REDACTED], an airman of the Royal Canadian Air Force, serving at No. 1 Wireless School, Montreal, Quebec, was tried by a District Court-Martial on the 29th day of July, 1941, and was found guilty of desertion from His Majesty's Service.

2. He was sentenced to one hundred and fifty days' detention. The finding and sentence having been confirmed and the sentence mitigated to one hundred days' detention by the Air Officer Commanding, No. 3 Training Command, Montreal, Quebec, were promulgated to the accused.

14. CONDUCT OF CORRESPONDENCE

1. Correspondence dealing with service matters is to be addressed to the unit or civilian firm and not to individuals. Personal correspondence of an official nature between officers, or an officer and representative of a civilian organization or firm is to cease forthwith. This practice not only results in the record of important matters being lost to the Service, but in many instances delays are caused due to the absence of individuals to whom such correspondence is addressed.

11. DEPENDENTS' ALLOWANCE DOCUMENTATION

It is again brought to the attention of all Service Personnel marrying with permission, the necessity of completing dependents' allowance documentation in order that a gratuitous award may be established.

Instances have arisen of late where personnel have not been reporting to the Accounts Section to complete the necessary forms. It has been learned that personnel are under the impression that an award is automatically established at the time an entry indicating their marriage appears in D.R.O. This delay naturally causes considerable hardship and anxiety for the dependent concerned. It is suggested therefore, that an application be made immediately following the entry in Orders, regarding the marriage. An application for Supplementary Award or the birth of a child subsequent to appointment or enlistment is treated in a similar manner. In other words documentation must always be submitted in order that an award may be put in issue.

May the following routine be reserved:

- (i) Submit marriage or birth certificate to Unit Orderly Room, to complete D.R.O. entry.
- (ii) When D.R.O. entry appears indicating marriage or birth, take the certified true copy or the original to the Accounts Section for the necessary Action.
