Dear Sir:

The last two years I haven't had enough money raised in my farm to be able to meet my account that's the debt I owe in this agency. I am very sorry not to be able to do so. But next year what ever share I'll have from my crop will be coming to the Shellbrook Agency and I do expect will be cleared to the last cent as I will have all my land in crop. I had to lease my land for I didn't have the machinery to carry on any longer. So I promise this will be done. This I have no crop in my land.

Loan in Arrears -

In your letter of January 7 you reported that had stated he would repay his loan from the proceeds of crop rental. We would be glad to be informed what arrangement has been made with him regarding the manner in which these payments are to be made.

We would like to remind you that this loan was approved in June, 1955, and the expenditures totalled \$297.25; that payments on the loan total \$190.00 and the last payment, of \$10.00, was made in April, 1958.

His record of payments suggests that Mr. has not made any great effort to meet his obligation to the Muskeg Lake Band and we trust that some definite arrangement has been made with him with regard to repayment of the loan in full within a reasonable period of time.
