13. HOSE STREAMS ON HIGH VOLTAGE WIRES - AVOIDANCE OF

Attention is directed to the danger of directing hose streams on to "live" high voltage electric wires or equipment. All electric wires and equipment are to be treated as dangerous and, failing definite information to the contrary, are to be treated as "high voltage."

The hazard depends upon the voltage of the conductors, the conductivity of the water, and the range and solidity of the stream, but in the interests of safety, adequate precautions are to be taken in all cases.

14. REDUCED CABLE RATE FOR FIXED TEXT MESSAGES

Personnel are notified that a new reduced rate is now available to all members of the Canadian Forces serving in Canada and Overseas, for a variety of messages which are prepared by the cable companies for selection by the sender. The various messages which may be sent at the reduced rate are listed by number and cover a variety of subjects such as correspondence, greetings, promotions, congratulations, bereavement, etc. Details of actual texts available, rates and regulations covering such messages may be obtained on application to any cable or telegraph office.(HQ 866-22-4 F.D. 108)

15. DRINKING IN PUBLIC CONVEYANCES

The introduction, possession or consumption of wines, spirits and other intoxicants in railway coaches or other public conveyances is strictly forbidden.

Personnel are also advised that by misconducting themselves in railway coaches, stations or other premises contrary to the rules and regulations of the railway, they will render themselves liable to severe penalties under the Railway Act, which provides that such persons may be forthwith removed therefrom, and further that violations of such rules and regulations may result in liability to a fine or proceedings under the criminal code.

17. DEPENDENTS' ALLOWANCE & ASSIGNED PAY

Numerous instances have arisen where personnel who marry with permission
fail to report to the Pay Office in order to complete dependents' allowance and
assigned pay documentation. Consequently, awards have not been forthcoming to
the dependent, as a gratuitous award is not automatically established at the
time the marriage appears in Daily Routine Orders.

It is essential, therefore, that an application for dependents' allowance
be submitted as soon as marriage is promulgated in Orders. The responsibility
for making application rests entirely with the individual himself.
