Dear Marcel:

Since we last spoke about your appointment as Special Adviser to the Commissioner of the RCMP, Michael Pitfield and I had a long discussion with the Commissioner and the Director General. They are in full agreement about the desirability of your appointment with arrangements along the lines that had been worked out. Following that discussion, I sent the draft of a possible announcement to the Commissioner and I received a reply from him on July 25th agreeing to it. Yesterday, Michael Pitfield and I had a talk with the Prime Minister, as a result of which some revision in the announcement seems desirable. I am enclosing herewith a copy of a letter I am sending today to the Commissioner, as well as a copy of the proposed announcement in revised form.

The Commissioner is away at present but is to return to Ottawa on August 13th. I believe you, too, will be here next week. It seems to me that it would be desirable to get the announcement issued at an early date - conceivably sometime during the week beginning August 14th. Perhaps you could give me a call when you are in Ottawa so that we can discuss this matter further.

Yours sincerely,

Gordon

PERSONAL AND CONFIDENTIAL

August 3rd, 1978.

Dear Bob:

Thank you for your letter of July 27th concerning the appointment of Marcel Cadieux as Special Adviser.

Michael Pitfield and I had an opportunity to discuss this matter with the Prime Minister yesterday. We put before him the form of announcement that I had sent to you with my letter of July 14th. The Prime Minister feels that it would be better to revise it somewhat with respect to the final part of the second paragraph. Enclosed herewith is a revised draft in which the final sentence of that paragraph replaces the two final sentences in the earlier draft.

With regard to the timing of announcement, presumably you will want to have this cleared with Mr.Cadieux. I understand that he is coming to Ottawa next week and, so that he is fully informed, I am sending a copy of this letter and of the draft announcement to him. I am advised that you will be returning on August 13th. I would think that there is much to be said for an announcement at an early date since Mr.Cadieux will undoubtedly be making arrangements in the near future for his change of residence to Ottawa. Perhaps you could, on your return, give me a call on the telephone so that we can discuss precise timing and arrangements.

Yours sincerely,

Gordon

ANNOUNCEMENT RE MARCEL CADIEUX

The Commissioner of the RCMP announced today the appointment of Mr. Marcel Cadieux to be a special adviser to him and to the Director General of the Security Service.

Mr. Cadieux, who has lately been Canadian Ambassador to the European Economic Community, has had a long career in the public service of Canada and in a variety of positions abroad. He was Under-Secretary of State for External Affairs from 1964 to 1970 and Canadian Ambassador to the United States from 1970 to 1975. Mr. Cadieux will provide advice on security problems in both the international and the domestic areas.

The Commissioner said that Mr. Cadieux' assignment is for an indeterminate period, but will probably be for one to two years.

Nous croyons comprendre que M. Cadieux a discuté avec vous de la possibilité de reprendre sa tournée de conférences au Canada au mois de mai. Avant de retourner à Bruxelles la semaine dernière, il nous a priés de porter à votre attention les points suivants:

(A) Il ne serait évidemment pas opportun d'organiser cette tournée en période électorale. Nous devrions savoir d'ici peu à quoi s'en tenir.

(B) M. Cadieux, sur le conseil de son médecin, doit se reposer. Il prendra des vacances à Pâques et subira au retour des examens médicaux. Ce n'est qu'une fois le diagnostic des médecins connu qu'il pourra se prononcer sur l'à propos d'entreprendre une tournée de conférences au Canada.

2. Il reste donc beaucoup d'incertitude. Il faut donc attendre avant d'organiser quoi que ce soit.

Dear Mr. Cadieux,

I am writing to confirm our conversation of a few days ago in which, at the Under-Secretary's request, I invited you to be a member of the forthcoming FS-5 Promotion Board. I am sure that the Under-Secretary will be most pleased that you have agreed to participate. The Board will begin its deliberations on Monday, February 20, and should be able to complete its work on the same day.

Should you have any questions about this Promotion Board, I would be glad to respond.

Yours sincerely,

MEMORANDUM TO APP

Marcel Cadieux - Assignment to Ottawa

Mr. Cadieux has informed me that he expects to return to Ottawa this summer to an assignment outside the Department.
AEG
KGO
RRJ
MDG
He has suggested that the Department consider whether his assignment should be a secondment or loan to whichever department or agency is involved or whether we would wish to have him take up his new assignment in a manner that would release a position in this Department.

2. Mr. Cadieux thought that we would want to give consideration as well to the timing of his return. Lee apparently wants to take home leave in July. I gather also he would like to return to Ottawa. Mr. Cadieux feels that with his departure Lee should be asked to stay on another year. Lee would then return to Brussels in August and Mr. Cadieux would return to Canada.

3. This also means that the mission in Brussels becomes vacant and should be considered during the HOP exercise.

OTTAWA, K1A 0G2

January 19, 1978

Dear Mr. Cadieux,

Attached is your performance appraisal and performance pay recommendation for the appraisal year 1976-77. I would be grateful if you would sign the appraisal in the places indicated, and forward it along with any comments you may have at your earliest convenience.

As you know, performance appraisals on officers at the FS-4 and 5 levels this year were prepared following procedures similar to those used by Max Wershof for the 1975-76 appraisals. Messrs. Arthur Andrew and Malcolm Bow were appointed to collate evaluative comments from various sources (geographic and functional bureaux, ICER, PIN, Assistant-Under Secretaries, and in some cases, other concerned Departments) and used these comments, together with your summary of activities, to produce a draft appraisal report. This draft appraisal was then considered by a Senior Management Committee (consisting of Messrs. R.E. Collins and P. Tremblay) and was subsequently submitted to the Under-Secretary (who has signed the report as your rater) and to Mr. Robinson for their approval.

As mentioned in Circular Document 19/77 (APO) of May 30, 1977, and further discussed in the Under-Secretary's letter to you of June 1977, the appraisal drafters and the Senior Management Committee were working under the constraint of a Treasury Board directive to reduce the proportion of superior/outstanding ratings of senior officers to no more than 40%. This of course, refers basically to Performance Pay Recommendations (as the tick mark sections of FS-4 and 5 appraisals are not used). No more than 40% of the recommendations for senior officers are to be higher than "met the major requirements of the job". As the proportion in 1976 was over 90%, this has meant that about half of the performance pay recommendations for FS-4 and 5 officers are lower than in previous years, even though the level of performance of the officers concerned may not have changed.

Mr. M. Cadieux,

In the attachments, you will find a copy of a recent article entitled "There is no Merit in Merit Pay", which we found most interesting in Personnel Bureau. I would be grateful to receive your comments on this article as well as on the performance appraisal process in general. Mr. G. Blouin has been asked by the Under-Secretary to conduct a thorough review of the FS appraisal and promotion systems.

I hope that these explanatory comments have been helpful to you, and thank you in advance for your cooperation in signing and sending your appraisal report. I must add that I feel most peculiar acting as a channel of communication for transmitting these documents to my senior colleagues. However, we are performing a function required by the Treasury Board and endorsed by the P.C.O.

Yours sincerely,

This is to inform you that last Thursday Cabinet approved the appointment of Mr. Marcel Cadieux as Canadian special negotiator for boundaries and related resource issues. For departmental purposes he is expected to be on temporary duty on this assignment for a period of four months from August 1. However, in view of the complex nature of the subject and the need to be fully operational by that date, Mr. Cadieux has already arrived in Ottawa.

2. As I have had occasion to indicate informally, there are a number of administrative aspects of this matter which will require the assistance of your bureaux, in particular there are a range of questions concerning Mr. Cadieux' pay and allowances as Ambassador to the European Communities while he is here in Ottawa, and secondly a range of questions concerning the funding of Mr. Cadieux' travel and living expenses on this assignment, as well as travel and living expenses and secretarial services for his staff who are being seconded from the various interested Departments. On the latter issue, it is contemplated in Mr. Jamieson's letter to the Prime Minister that a supplementary estimate will have to be sought.

3. As a first step I am convening a meeting on Monday afternoon, July 25, for which Mr. Cadieux will be present, to discuss these matters, in the 4th floor conference room. I suggest that at 2:30 we focus on the APR range of questions and at 3:00 the AFF range of questions.

Monsieur l'Ambassadeur,

Maintenant que les Comités de promotion ont achevé leurs travaux et que le processus d'appel est presque terminé, je tiens à vous exprimer ma plus profonde reconnaissance pour avoir voulu accepter de faire partie du Comité de promotion des SE-3 à SE-4.

Je sais que les rencontres du Comité ont eu lieu alors que vous étiez particulièrement occupé à Bruxelles et ont nécessité des modifications substantielles à votre calendrier. J'espère toutefois que vous avez trouvé cette expérience intéressante et que le voyage à Ottawa vous a été d'une certaine utilité (notamment en regard des élections au Québec). Je vous remercie encore une fois du temps et des efforts que vous avez consacrés à cet élément important du processus de sélection du personnel.

Veuillez agréer, monsieur l'Ambassadeur, l'expression de mes sentiments distingués.

MISSION OF CANADA
to the European Communities

MISSION DU CANADA
auprès des Communautés Européennes

CONFIDENTIEL
GESTION DU PERSONNEL

Bruxelles, le 26 juillet 1976

3-6-Cadieux
2

Mon cher collègue,

Suite à votre lettre du 12 juillet 1976, j'inclus une liste des fonctions qui me sont formellement assignées en tant que chef de cette Mission.

Je suppose, en premier lieu, qu'en tant que chef de la Mission auprès des Communautés, j'assume les responsabilités qui incombent normalement à un chef de poste. Il serait sans doute difficile pour moi d'évaluer ou d'exposer en détail de quelle manière je m'acquitte de ces diverses tâches.

Pour ce qui pourrait être spécial en fait de responsabilités ou de style, en termes de cette Mission, il y a peut-être lieu de mentionner pour mémoire, quelques aspects particuliers:

a) nous ne sommes pas membre des Communautés. Malgré l'avantage que représente l'Accord-cadre, il nous est peut-être plus difficile qu'à d'autres missions d'établir une liaison avec le personnel des divers organes auxquels nous sommes accrédités: d'ailleurs certains de ces organes siègent successivement dans diverses capitales et certains (le Conseil Européen, le Coreper) ne sont pas créés par les traités constitutifs et n'ont pas de statut officiel;

b) depuis mon arrivée à Bruxelles, malgré les restrictions budgétaires et le désir bien naturel du Ministère de ne pas autoriser d'empiètement sur les responsabilités des missions bilatérales et de tenir compte des réserves de certains Etats membres au sujet de l'expansion des compétences communautaires, dans le domaine des consultations politiques en particulier, j'ai interprété mon mandat de façon assez vaste. J'ai essayé d'interpréter le mouvement de l'Europe vers une plus grande intégration et d'envisager les activités de la Communauté dans ce contexte. J'ai aussi étudié nos rapports avec l'Europe de l'Ouest et élaboré des suggestions au sujet d'une politique

canadienne qui soit appropriée à ces dimensions. (Cette philosophie a été reflétée dans notre rapport sur la Programmation par pays - lettre nº 27 du 9 janvier 1976 - et semble avoir été endossée par le ministère);

c) pour mettre en oeuvre cette politique, il faut sensibiliser l'opinion en Europe et surtout au Canada. J'ai donc élaboré et fait parvenir au ministère un programme d'action dans le domaine de l'information. J'ai aussi saisi les occasions qui m'ont été données de prêcher la cause des relations entre le Canada et la Communauté, auprès des industriels, des hommes d'affaires et des gouvernements provinciaux au Canada;

d) au cours de ma première année à Bruxelles, j'ai consacré aussi une bonne partie de mon temps à l'analyse de notre stratégie pour atteindre nos objectifs vis-à-vis l'Europe institutionnalisée. J'ai envoyé au ministère une série d'études et de suggestions à ce sujet. J'ai des doutes au sujet de nos techniques actuelles, l'approche sectorielle, et j'ai fait ce que j'ai pu pour suggérer des méthodes supplémentaires ou différentes au cas où notre procédure actuelle s'avérerait insuffisante. Depuis mon arrivée, je plaide pour une étude sérieuse des mécanismes dont nous pourrions avoir besoin à Ottawa pour assurer la mise en oeuvre de notre politique européenne;

e) la Mission auprès des Communautés est, en principe (il faudrait le dire aux ministère intéressés à Ottawa), une mission intégrée. Je m'emploie à répartir les tâches, à organiser le travail au sein de la Mission de façon à favoriser la cohésion, le travail d'équipe. Je m'efforce de faire en sorte que chaque agent soit conscient du cadre général de nos opérations et que nos rapports ne soient pas élaborés dans des compartiments étanches mais soient coordonnés et reflètent l'optique plus générale qui est celle du Gouvernement et de nos relations globales avec le monde communautaire;

f) je reconnais d'emblée que je ne suis pas expert en matière commerciale ou tarifaire. Il m'a été expliqué que ma mission avait principalement un caractère politique, et que ma contribution s'effectuerait surtout dans ce domaine. C'est ce que j'ai essayé de faire en laissant à mes collaborateurs les aspects techniques du travail de la Mission. J'ai surtout voulu réunir en un faisceau, affecté du coefficient politique nécessaire, le résultat de leurs efforts.

.. 3

Document disclosed under the *Access to Information Act* -
Document divulgué en vertu de la *Loi sur l'accès à l'information*

Il me faut reconnaître que mon activité et mon enthousiasme pour la tâche ont été sérieusement affectés par la politique d'austérité et par les difficultés qui sont survenues au sujet de ma résidence. Durant toute cette année, j'ai vécu dans mes valises, dans des locaux inadéquats et inconfortables. Ces conditions ont eu des conséquences très malheureuses pour ma mission et pour le moral de ma famille.

Comme il n'est pas question de promotion dans mon cas (je suis au grade 5 et il n'y a pas de grade supérieur que je sache), j'ose espérer que cet exposé sommaire de ma conception de la tâche qui se présente à Bruxelles permettra à un collègue charitable à Ottawa d'assurer les intéressés au besoin, s'il y avait une augmentation de traitement au cours de l'année à venir, qu'il y a quelques raisons de ne pas me la refuser.

Salut et bénédiction!

M. Cadieux

SUBJECT / Sujet: Directive au Service extérieur n° 56 - Calcul de la prime de Service extérieur

ENCLOSURES / Annexes

DISTRIBUTION

Les dernières modifications apportées aux Directives au Service extérieur ont introduit un nouveau concept dans le calcul de la prime de Service extérieur: on tient maintenant compte de la durée du service à l'étranger d'un employé dans la fixation du montant de la prime de base. L'employé accumule des points au rythme d'un point à un point et demi par mois, selon la classification du poste auquel il est affecté et qui figure à la directive n° 58 sur la prime différentielle de poste. Dans le cadre des dispositions provisoires touchant l'application de la nouvelle directive n° 56, les employés permutants de carrière recevront un crédit pour la durée du service à l'étranger effectué avant le 1er juillet 1975.

2. Les points pour la durée de service antérieure au 1er juillet 1975 s'accumulent à raison d'un point par mois. Aux fins du présent calcul, le mois est une période d'au moins dix jours ouvrant droit à rémunération dans un mois civil pendant lequel l'employé a été en service dans une mission. Signalons que les points, comme les allocations, sont calculés à partir du premier jour de rémunération qui suit l'arrivée de l'employé à la mission et jusqu'au premier jour de rémunération qui suit son départ définitif. Les périodes de service spécial ou temporaire à l'extérieur d'Ottawa sont exclus de ce calcul, bien qu'on ait tenu compte de la durée de service à l'extérieur d'une mission, ou d'une affectation spéciale ou temporaire à une autre mission ou à Ottawa. Le maximum accumulable pour n'importe quel mois civil est un point. Les absences de la mission en congé spécial, ou en congé annuel, ou en congé au Canada, ont été calculées comme des périodes de service à la mission lorsqu'il s'agissait de la période antérieure au 1er juillet 1975. A compter de cette date, ces absences auront même valeur pour le calcul des points que pour la fixation des allocations courantes.

3. Nous avons calculé les points que vous avez accumulés pour votre service à l'étranger jusqu'au 30 juin 1975 en nous reportant aux dates d'arrivée et de départ communiquées à notre direction pour le paiement des allocations. D'après les règles que nous avons exposées au paragraphe précédent, nous avons calculé que votre total de points était de:

142 points.

Dear Robert

Better late than never! At the time of Ambassador Cadieux' visit with us in the Sr. Seminar some weeks (months?) ago I promised you I would do my best to bootleg you a copy of our confidential evaluation of his performance. Here 'tis. With my usual genius for timing ~~xxxx~~ the arrival of this material in your Embassy may well coincide with the Ambassador's farewell call, but this is the best I have been able to do since the administrative people here were reluctant to let me ~~xxxx~~ have what I wanted when I wanted it.....

All the best,

SENIOR SEMINAR IN FOREIGN POLICY
SEVENTEENTH SESSION

SPEAKER EVALUATION

Date: March 13, 1975
Chairman: J. Rentschler

His Excellency Marcel Cadieux
Ambassador of Canada

A number of words come readily to mind in connection with Ambassador Cadieux' presentation, among them "comprehensive," "skilled," "magesterial," and "incisive." Perhaps most apposite of all, however, would be the adjectiv "disarming": Ambassador Cadieux is clearly a seasoned pro who has more than mastered the deft art of telling his audience less than entirely pleasant things about themselves in a way which will not only prevent them from taking offense but will leave them with a considerable fund of very useful information. His French Canadian accent and his lingering convalescence from the flu in no way inhibited the quality of his communication, and in fact he figures among the most fluent (and perhaps influential) speakers the Seminar has yet received.

SUBJECT: HEADS OF POST DIRECTIVES

PROPOSAL: To amend Treasury Board Minutes 690216, October 9, 1969, No. 716969 of December 28, 1972 and No. 725866 of March 14, 1974, by increasing to $55,000 per annum, effective January 1, 1975, the maximum indirect representational allowance which may be paid to Heads of Post in Paris, Brussels, London and Washington under Section 8.01 of the Heads of Post Directives.

REMARKS: In the past six years salaries and attendant employee benefits have increased appreciably and the current annual maximums of $25,000 in London and Brussels, $42,000 in Paris and $35,000 in Washington are no longer adequate to meet household help costs at the above noted posts. It is considered essential that Heads of Post have a sufficient number of qualified domestic help to enable them to carry out their programme-related hospitality which has increased significantly in the past five years, and more so in the past two years because of Canada's growing importance in foreign affairs, and to ensure the efficient operation of Official Residences abroad.

The indirect allowance in each of these locations will continue to be paid on the basis of the usual formula whereby the Department pays actual costs less a personal share calculated according to salary and Statistics Canada input. The effect of the present submission will not be to raise the indirect allowances of each Head of Post to $55,000 but rather to enable the Department to adjust allowances on a regular basis without further reference to Treasury Board until such time as the proposed new limit is affected. Attached are Appendices A, B, C, D, E and F giving details of the incumbent Heads of Post in Paris, Brussels (three), London and Washington together with pertinent information which they have provided. It is accordingly recommended

Indirect Representation Allowances

Paris: Ambassador	Present Allowance	Reported Actual Costs
Honourable L. Cadieux	$40,176	$49,754

Mr. Cadieux's annual allocation remained constant at $40,176 from November 1, 1973 to this year. His staff consists of 5 personally-engaged servants, - a Chief Butler, Assistant Butler, 2 maids and an assistant cook. He is responsible for their salaries, social security costs, uniforms, gratuities etc. In addition he must hire extra servants on occasion for large receptions and dinners. He must also pay food costs for all personally-engaged servants and extra help, as well as food costs for the three servants provided under Section 1.17.01 who are in established locally-engaged positions.

The cost of living in France has risen considerably in the last two years and as a result salaries and social security costs have increased significantly. The revaluation of local currency has also decreased the purchasing power of the Canadian dollar and the Ambassador's costs now exceed the amount of his allocation by approximately $9,600 per annum. To ensure the efficient operation of the Official Residence and to permit him to carry out his program of official hospitality, it is recommended his Indirect Representation Allowance be increased according to the usual formula to cover costs as submitted by him for his household staff.

Appendix "B"

Indirect Representation Allowance

Brussels: (Embassy) Ambassador	Present Allowance	Reported Actual Costs
Mr. L. Lamoureux	$25,000 (current overall ceiling)	$46,651

Mr. Lamoureux arrived in Brussels in July 1974 and effective August 19, 1974 his costs for household help had risen to $35,565. By January 1, 1975 they had increased further to a total of $46,651 per annum. While they now exceed those of his predecessor who departed in October 1973 by $21,703 per annum, the increase is in keeping with the continuous escalation of the cost of living in Brussels together with the increasing value of the Belgian Franc and the resulting decrease in the purchasing power of the Canadian dollar. His household staff of personally-engaged servants is comprised of a chef, a valet and 2 maids. This is basically the same as his predecessor, Mr. Leger, with the exception of one additional housemaid which it became necessary to hire due to the fact Mr. Lamoureux has two children residing at the post, as compared to Mr. and Mrs. Leger only. He must on occasion hire extra servants for receptions and dinners and it is his responsibility to pay salaries, social security costs, uniforms and liability insurance (mandatory under Belgian law) for all personally-engaged servants and extras as well as their food costs, and food costs for the three locally-engaged servants provided under Section 1.17.01 of the Heads of Post Directives. To enable the Ambassador to carry out his official hospitality programme it is essential that the official residence be operated efficiently and it is accordingly recommended that approval be granted to increase the Ambassador's Indirect Allowance according to the usual formula to cover costs as submitted by him for his household staff.

Document disclosed under the *Access to Information Act* -
Document divulgué en vertu de la *Loi sur l'accès à l'information*

Appendix "C"

Indirect Representation Allowance

Brussels: Ambassador (E.E.C)	Present Allowance	Reported Actual Costs
Mr. J.C. Langley	$25,000 (current overall ceiling)	$26,787

Mr. Langley's costs for household help amounted to $26,787 in January 1974. The excess over the maximum allowable at that time amounted to approximately $1,787. His staff of personally-engaged servants was made up of a cook, housemaid and cleaner, and on occasion extra waiters and kitchen help. He is responsible for salaries, social security costs, uniforms, liability insurance (mandatory) and food costs for all of the above as well as food costs for the three locally-engaged servants to which he is entitled under the provisions of Section 1.17.01 of the Heads of Post Directives.

As in the case of Mr. Lamoureux the high cost of living and revaluation of local currency combine to increase the Ambassador's costs even though he has not submitted an up-dated statement recently. He will be replaced in the near future by Mr. Marcel Cadieux, presently Ambassador to the United States in Washington, and it is anticipated Mr. Cadieux will submit a statement of estimated costs shortly after arrival. We expect his costs will be considerably higher in view of the escalation in the COL during the past 1½ years and the increasing importance of the position to which he has been appointed. It is accordingly requested that approval be granted to increase the Ambassador's Indirect Allowances according to the usual formula to cover costs as submitted by him for his household staff.

Indirect Representation Allowance

Brussels: Ambassador (N.A.C.)	Present Allowance	Reported Actual Costs
Mr. A.R. Menzies	$25,000	$25,241

Effective January 1, 1975, Mr. Menzies' costs increased to $25,241 exceeding the present approved maximum of $25,000 by approximately $250. His household staff consists of a maid/waitress, a maid/laundress and extra kitchen help, dishwasher and waiters as required for large receptions and dinners. As in the cases of Ambassadors Lamoureux and Langley he is responsible for payment of salaries, social insurance costs, uniforms, liability insurance, etc. for personally-engaged staff as well as their food costs, and food costs for the three locally-engaged servants in established positions under the provisions of Section 1.17.01 of the Heads of Post Directives. Prior to Mr. Menzies' submission of his statement of costs for servants which became effective January 1, 1975 at the present actual cost to him of $25,241 we had been paying his Indirect Representation Allowance at the rate of $16,152 over the period October 9, 1972 to December 31, 1974. The increase over a period of 26 months therefore is close to 57%, due to the high cost of living and attendant increases in salaries, food costs and services. Since it is expected costs will continue to rise we accordingly request approval to increase the Ambassador's Indirect Allowances according to the usual formula to cover costs as submitted by him for his household staff.

Indirect Representation Allowance

London High Commissioner	Present Allowance	Reported Actual Costs
Honourable Paul Martin	$25,000	$35,460

Mr. Martin arrived in London on December 31, 1974. He submitted an estimate of his household help costs amounting to $26,532 per annum with effect from January 1, 1975, but later submitted an amended statement showing actual estimated costs effective January 1, 1975 amounting to $35,460 per annum. He informed us at this time that substantial increases in salaries and social security were largely responsible for his increased costs and explained that qualified staff are difficult to find and competition is keen. Salaries must be attractive if he is to employ and retain personnel of a calibre desirable for the official residence. His staff is comprised of a cook, 2 parlour maids, a general maid and cleaner, and extra staff as required for large receptions and dinners. He is responsible for salaries, social security costs, gratuities, etc. for all personally-engaged servants as well as their food costs and food costs for the three locally-engaged servants in established positions under the provision of Section 1.17.01 of the Heads of Post Directives. It is accordingly requested that the maximum allowable under the present authority of $25,000 be increased according to the usual formula to cover costs as submitted by him for his household staff.

Indirect Representation Allowance

Washington: Ambassador	Present Allowance	Actual Reported Costs
Mr. J.H. Warren	$34,464	To be submitted

Mr. J.H. Warren, formerly High Commissioner in London will be replacing Mr. Marcel Cadieux as Ambassador to the U.S.A. in June. We have informed Mr. Warren he will receive exactly the same amount for Indirect Representation Allowance as his predecessor since we assume he will most likely retain the household staff. This staff now consists of a senior servant, two maids and casual help as required for receptions and dinners. The Ambassador is responsible for salaries, social insurance, uniforms, gratuities, etc. for his personally-engaged servants and their food costs, as well as food costs for the three locally-engaged employees in established positions under the provisions of Section 1.17.01 of the Heads of Post Directives. Mr. Warren will submit an estimate of costs shortly after occupation of the official residence and we expect he will find it necessary to exceed the maximum allowable of $35,000 since the cost of living in United States and especially in Washington has risen considerably since Mr. Cadieux last submitted a statement of servants' costs in April 1973. There is also the possibility Mr. Warren may increase the number of his personally-engaged servants because his family is larger than that of his predecessor. It is accordingly requested that approval be granted to increase his Indirect Allowances according to the usual formula to cover costs as submitted by him for his household staff.

SUBJECT: APPROVAL OF DECLARED SALARY FOR SUPERANNUATION PURPOSES

PROPOSAL: To recommend to the Governor in Council, pursuant to Section 7 of the Diplomatic Service (Special) Superannuation Act, that the salary of Mr. Marcel Cadieux, Canadian Ambassador to the United States, be declared for pension purposes to be that which he was receiving as Under-Secretary of State for External Affairs immediately prior to his appointment to Public Office effective from the date he assumed Public Office, irrespective of the Public Offices to which he may be appointed in the future, and, further, that his salary for pension purposes, on the occasion of any upward revision of the salary of the Under-Secretary of State for External Affairs be deemed to be that revised salary effective from the date of such revision and thereafter until such time as he shall cease to be a Public Official, irrespective of the Public Office to which he may be appointed in the future.

REMARKS: (1) Section 7 of the Diplomatic Service (Special) Superannuation Act empowers the Governor in Council to authorize a Public Official who, immediately prior to his appointment to Public Office, was employed in the Public Service of Canada to make current contributions to the Public Service Superannuation account on the basis of the salary he would have received had he remained in his former position.

(2) Mr. Marcel Cadieux who served as Assistant Under-Secretary of State for External Affairs from December 1, 1956 to May 6, 1964 and as Under-Secretary of State for External Affairs from May 7, 1964 to January 30, 1970, took up his appointment as Canadian Ambassador to the United States on January 31, 1970. His salary as Under-Secretary was $38,000.00 per annum whereas his salary as a Public Official is $30,500.00 per annum (F.S.O. 10).

(3) Approval of this proposal would permit Mr. Cadieux to contribute on a salary of $39,000.00 (the revised salary of the Under-Secretary) from the date he assumed Public Office (January 31, 1970), this deemed salary to be revised upward in the event of any upward revision in the salary of the Under-Secretary of State for External Affairs while he remains in Public Office.

(4) A draft Order in Council is attached.

Dear Mr. Cadieux:

This will acknowledge your letter of January 9th advising that you will no longer be able to serve as an Official Side member of the National Joint Council of the Public Service of Canada.

As you know, the Council has offered over the years a most important forum for joint consultation on matters of interest both to the Government as employer and employee associations. It is anticipated that the Council will continue in this role and it is therefore always with regret that we lose our senior members.

On behalf of the National Joint Council, thank you for your cooperation and support.

Yours sincerely,

S. S. Reisman.

VANIER AWARD

3-6-4 3-6 Cadieux, M

As I believe you are aware, the Under-Secretary has been declared this year's winner of the Vanier Medal by the Institute of Public Administration of Canada. Attached is a clipping which appeared in the OTTAWA JOURNAL of September 3.

2. Before leaving Ottawa Mr. Starnes asked me if an appropriate note could be inserted in the next issue of ADMINISTRATIVE NOTICES. Could you take this on? Presumably you would want to clear any text through Mr. Robinson.

3. I assume that the fact that this news has already been published by the press means that there is no bar to any publicity. You may however wish to double-check this point in order to avoid any possible embarrassment.

CONFIDENTIEL

Ottawa, le 1er août 1969

Monsieur,

Vous vous rappelez sans doute que, le 27 décembre 1968, j'ai déclaré que le gouvernement donnait son accord de principe aux recommandations formulées, dans son premier rapport, par le Groupe consultatif de la rémunération du personnel de direction dans la Fonction publique.

Conformément à ces recommandations, le gouvernement a mis sur pied un comité de hauts fonctionnaires, qu'il a chargé de le conseiller sur la mise en oeuvre des nouvelles méthodes d'administration à l'égard du traitement du personnel de direction. Ce comité a entrepris d'évaluer tous les postes et leurs titulaires, individuellement, en consultation avec le ministre compétent dans chaque cas. Il a par la suite présenté ses recommandations à un comité spécial du Cabinet, créé par le gouvernement et placé sous ma présidence. Ce comité, à son tour, a considéré avec soin ces évaluations, avant de faire rapport au Cabinet. Les décisions rendues par ce dernier furent enfin confirmées par le Gouverneur général en conseil.

Dans le cas des personnes nommées par décret du conseil, et classées à un niveau inférieur à SX 1, on a établi le chiffre du traitement d'après les traitements accordés par la Commission de la Fonction publique aux employés relevant du groupe exécutif de gestion; ces personnes ne sont donc pas visées par l'échelle de traitements recommandée par le Groupe consultatif.

Vous trouverez ci-joint une copie de la décision rendue dans votre cas, telle que le Gouverneur général l'a entérinée. Je me permets de rappeler qu'elle a été prise après une étude attentive, compte tenu de tous les éléments de la situation; c'est d'ailleurs ce qui explique la longueur du délai écoulé depuis le rapport du Groupe consultatif. Vous voudrez bien adresser toute demande de renseignements à ce sujet au ministre dont vous relevez.

Recevez, Monsieur, l'assurance de mes meilleurs sentiments.

Dear Mr. Cadieux:

I am delighted to learn that you are willing to participate as a member of the Advisory Council to our programme in Public Administration. As Walter Baker has told you, we are eager to develop at York a unique, exciting and, above all, useful programme. We can only do so with the co-operation of people such as yourself.

As I am sure you realize, the University is relatively quiescent during the summer. We do not expect, therefore to formalize the Council until the fall. At that time you will hear from me again.

H.E. Cadieux, M

Dear Sir or Madam,

This correspondence is addressed to you in the hope that you will provide us with the latest information on the "title of position held", and the "correct mailing address" for Mr. Cadieux.
We are also hopeful that should any future changes occur in either of these areas that you will be so kind as to keep us informed so that our records can be maintained in an up-to-date state. Inclusion of your name and office telephone number in this information would also be most helpful in case personal contact is required.

The reason for our need is encompassed in the fact that Mr. Cadieux is a member of the Advisory Council to the School of Public Administration at this University, and from time to time it is important that we pass correspondence to him regarding his affiliation with this group. With the constantly changing appointments and physical relocation of the personnel comprising the Advisory Council, it becomes exceedingly difficult to maintain current information and records unless some type of relatively constant input is inaugurated. Hence the initiation of this request.

I do hope that our needs will not impose on you to an excessive degree, and that the forwarding of the information will not be too time consuming. Thank you very much for all efforts put forward on behalf of this request.

Yours sincerely,

CONFIDENTIEL

Très Révérend Père,

Comme suite à notre conversation d'hier, je vous transmets sous ce pli un projet de lettre qui pourrait vous être remis par M. Chevrier. Je vous serais obligé de me communiquer un projet de réponse que vous seriez disposé éventuellement à faire parvenir à M. Chevrier.

Il serait convenu que si l'avocat de M. Chevrier, Me Robinette de Toronto, et M. Chevrier lui-même étaient d'accord, les deux lettres seraient publiées et l'incident serait clos.

J'ai pu atteindre Me Robinette hier qui m'a dit que si l'accord pouvait se réaliser sur un tel échange de lettres, nous pourrions mettre en oeuvre ainsi ce qui lui semble la meilleure solution dans les circonstances.

Veuillez agréer, Très Révérend Père, l'assurance de mes sentiments très distingués.

OTTAWA, le 30 octobre 1964

Très révérend Père Guindon,

Cette lettre fait suite à notre correspondance antérieure au sujet de la déclaration de votre directeur des Relations extérieures, M. Boss. Je vous serais très reconnaissant si vous pouviez rendre publique la déclaration suivante:

> Je regrette beaucoup que l'on ait interprété d'une façon exagérée et tellement inexacte le commentaire que j'ai fait au sujet des difficultés qu'éprouvent de nombreux parents canadiens à trouver des places pour leurs fils et leurs filles dans les universités britanniques, particulièrement ceux qui désirent les placer en plein milieu de leurs études secondaires. Ce commentaire qui fut fait en passant, au mois de juillet dernier, lors d'une entrevue radiophonique non répétée, n'était certainement pas dirigée contre le système canadian d'éducation, l'Université d'Ottawa ou quelqu'université que ce soit. En tant que membre du Bureau des Régents de l'Université d'Ottawa et père de six enfants qui ont tous fait leurs études à cette université, il me semble pour le moins invraisemblable que je puisse tenir de tels propos.
>
> Ce commentaire ne voulait être qu'une allusion aux difficultés qu'ont à surmonter tous ceux qui veulent s'inscrire aux universités britanniques d'où qu'ils soient, de Grande-Bretagne ou de l'étranger. Depuis le dernier conflit mondial, il y a eu un pourcentage accru de demandes d'inscription aux institutions d'enseignement supérieur. De plus, la Grande-Bretagne, comme tous lespays de l'Ouest, a connu l'accroissement de population de l'après-guerre qui a produit

une incroyable augmentation du nombre des jeunes désireux de recevoir aujourd'hui une éducation supérieure. Pour l'année académique 1963/64, par exemple, une personne sur trois a pu trouver place dans les universités britanniques, ce qui a forcé les différents bureaux d'admission à être des plus exigeants lors de la sélection des candidats. C'est à cette situation particulière que j'ai tout simplement voulu faire allusion.

Veuillez agréer, Très révérend Père, l'expression de mes sentiments respectueux.

Mr. M. Cadieux
Under-Secretary of State

O t t a w a

Dear Marcel,

Even in the best of regulated families, news sometimes percolates slowly, and for some odd reason or other, I have only just heard of your appointment as Under-Secretary of State for External Affairs. This is good news indeed and I send you my sincerest best wishes and congratulations.

You are taking over at a difficult time but I know that you will not only cope with the problems in a most satisfactory manner but that the Service will benefit from your expert handling.

I hope that the halls of the venerable East Block have been ringing to the tune of "il a gagne ses épaulettes". I feel certain that your many friends in External will have felt like bursting out in such a manner if such levity is ever countenanced in the austere halls of the East Block.

Very sincerely yours and may I express the hope that you will come out to see us soon.

Gerry.

CIRCULAR DOCUMENT

ADMIN. NO.17 /63

Promulgation of Senior Officer Promotions.

Attached is a copy of the list of senior promotions which the Under-Secretary under advisement of the Senior Officers' Promotions Committee recommended to the Civil Service Commission.

It would be appreciated if this promotion list could be brought to the attention of the senior officers of your staff so that any of them wishing to make an appeal may do so before the closing date, March 26, 1963. If necessary, a telegram should be sent to the Department giving notice of intention to appeal.

Under-Secretary of State

To all Heads of Post and Division.

SENIOR OFFICERS PROMOTIONS

At a meeting of the Senior Officers Promotion Committee which was held on February 12, 1963, it was recommended that the officers whose names appear on the attached list be promoted effective January 1, 1963. This recommendation was approved by the Under-Secretary and forwarded to the Civil Service Commission subject of course to the appeal procedure which applies to all promotions since April 1, 1962, (please refer to Circular Document Admin. No. 27/62 which contained the relevant extracts from the new Civil Service Act and Regulations).

Officers who consider that they have substantial ground for appealing may do so, provided their appeal is received by the Civil Service Commission in Ottawa on or before March 26, 1963. If officers wishing to appeal fear that their appeal papers will not be received by the Commission in Ottawa before the expiry date, they may send a telegram direct to the Commission, informing them of their intention to appeal. Anyone wishing to make an appeal is at liberty to represent himself or he may ask that another person represent him, for example, a representative from a particular staff association or other agent such as a lawyer. If he wishes, the appellant may attend the entire hearing. An appellant must, of course, assume the responsibility for any cost that may be associated with his attendance and representation such as fees and travel expenses. If an appellant does not wish to be represented by an association, he should indicate this in his appeal in order to avoid unnecessary correspondence and delay.

The information presented in an appeal is extremely important. A statement which merely outlines the length of service and the experience of the appellant does not constitute a valid basis for an appeal. Similarly the statement that "I consider my qualifications to be equal to or better than those of the candidate recommended for promotion", unsupported by satisfactory evidence cannot be regarded as constituting sufficient grounds for an appeal. Definite reasons must be given in support of the belief that the ratings were not just and equitable or that promotion was warranted.

Care should be taken in submitting an appeal and the subject should be clearly indicated at the top of the letter in the following manner:

"Appeal - Promotion without Competition:-

Class: Place: Department: Time Limit: "

THE CIVIL SERVICE

Had His Eye On CS Early

By JOHN STOCKDALE
of The Journal

Ottawa is a great place. To this city come people with all kinds of backgrounds, interests and skills from all over Canada. The common purpose is to make their contribution to the nation.

This is how it seems to Marcel Cadieux, QC, Deputy Under-Secretary of State for External Affairs and legal adviser to the department.

To John Stockdale

To encourage young Canadians, and particularly French Canadians, to take an interest in the Civil Service — and where they have enthusiasm and other requisite qualities to take a place in it, he has written four books.

EARLY AMBITION

His ambition from his formative years was to serve Canada.

For a year or so he was in private law practice at Montreal, he enjoyed the experience, but never had any doubt as to what he really wanted. It was to join External Affairs.

The opportunity came.

He has now been in the department 22 years, with his 16 years in Ottawa an unusually high proportion related to service in personnel and subsequent appointment as legal adviser.

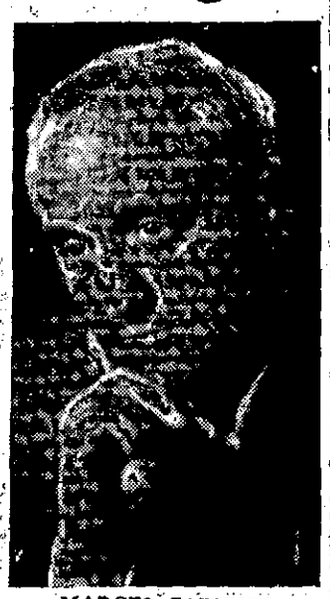
As deputy under-secretary he is responsible for varied aspects of administration.

In legal capacity his responsibilities this year have included putting Canada's case in the matter of contributions for upkeep of UN Forces, and considering legal aspects of the realms of outer space.

RICH, FULL CAREER

His career, both in the diplomatic field and international law, has been rich and full.

Marcel Cadieux is the first Canadian to sit on the International Law Commission.



MARCEL CADIEUX

This Spring the commission did 10 weeks of intensive work. Now he's engaged on what might be described as homework for the next sessions.

At the University of Ottawa he lectures to students on international law. He also gives lectures to graduates studying for doctorates, and the preparation for this takes about as much time each year as writing a book.

He regards his varied role as a fine combination, but admits that it's probably somewhat of a strain on the health.

MONTREAL NATIVE

Mr. Cadieux was born at Montreal in 1915, the son of a civil servant now retired after nearly 40 years with the Post Office. He graduated Bachelor of Arts at Grasset College, studied law at the University of Montreal and did post-graduate work at McGill University.

Mrs. Cadieux is the former Anita Comtois, daughter of a Quebec City businessman. They met in Paris while he was engaged with NATO, and she was working for the International Civil Aviation Organization.

Returned to Ottawa, they met again.

They were married in 1956 after Marcel Cadieux had been to Indo-China as senior adviser to the Canadian element of the International Advisory Commission.

Mr. and Mrs. Cadieux love motoring. They hope to get in more miles seeing countries and countrysides in 1963 than a crowded schedule has allowed this year.

HOME MOVIE FANS

Interested in movies as art, they enjoy home screenings. He has been a member of the National Film Board since 1958.

A favored recreation for Marcel Cadieux is to play with the children when he gets home to 2047 Chalmers Road. Francois, age five, proudly attends the Lycee Claudel, and Rene, 13 months, "is proud of walking: but does it a little shakily."

Mrs. Cadieux is active with the Consumers Association of Canada, Friends of the National Gallery, and is president of the Association of Wives of External Affairs Department Officers.

PRESS RELEASE

CADIEUX, M.

DEPARTMENT OF EXTERNAL AFFAIRS
OTTAWA - CANADA

No. 80

FOR IMMEDIATE RELEASE
TUESDAY, 28 NOVEMBER 1961

The Secretary of State for External Affairs, the Honourable Howard Green announced today that Mr. Marcel Cadieux, Deputy Under-Secretary of State for External Affairs and Legal Adviser to the Department of External Affairs has been elected to membership of the International Law Commission by the General Assembly of the United Nations. At an election in which 42 candidates were competing for the 25 seats of the Commission Mr. Cadieux received 89 votes out of 103 ballots cast by the General Assembly. He had been nominated to the position by Canada, Australia and Britain.

This is the first time that a Canadian will be serving on the International Law Commission. The Law Commission limits its membership to one member of any nationality, with the objective of thus having a wide representation of the main forms of civilization and legal systems of the world. The International Commission was formed in 1947 by a resolution of the General Assembly and has as its object "the promotion of the progressive development of international law and its codification". The Commission, as one of the major bodies engaged in this work, has been fulfilling its task by surveying the fields of international law, and translating these into articles of draft conventions. In this way, for instance, many of the rules that have

been developed over the centuries on the law of the sea or on diplomatic immunities have been drafted in a much more specific form than that in which they were previously to be found. In this form, these rules have been discussed and adopted respectively by the conference that have taken place on the law of the sea in 1958 and 1960, and by the Conference on Diplomatic Relations and Immunities that took place in Vienna this spring. The Commission, whose members are elected for five-year terms and meet for a yearly two-month session at Geneva, had this year been enlarged from a membership of 21 to 25 so as to allow for the increased representation of Asian and African countries in the United Nations.

Attached are biographical notes on Mr. Cadieux and the text of the statement he made on the occasion of his election.

STATEMENT BY MR. MARCEL CADIEUX

"I am naturally very glad to hear of my election as a member to the International Law Commission and my first wish is to express my gratitude to the governments which have submitted my candidature to the Commission. I also wish to thank all those who have taken an active interest in my candidature and who have given me so much support.

This election fills me with a keen sense of responsibility and anticipation towards the work to be done. I only hope that I may find it possible as a Canadian to add to the trend of high caliber work that has so far been established within the Commission.

There could scarcely have been a more crucial time to be called upon to make a specific contribution towards the development of international law. Never before has the future of humanity been so heavily dependent on the acceptance of the rule of law throughout the world. It is with a view to making this acceptance possible that the International Law Commission was conceived. The Commission has, since its creation in 1947, been primarily concerned with the codification and progressive development of international law. Practical results of this work can best be seen in the adoption of conventions such as those concerning the Law of the Sea and the Convention on Diplomatic Relations and Immunities which were drafted by the Commission and which formed the bases of major international conferences. In its work, the Commission differs from the International Court of Justice in that, unlike a court, it does not hand down judgments;

it concerns itself more with finding out what the law on a general subject is, rather than in applying the law to specific questions. The Commission can thus be of assistance to the World Court by clarifying the law and setting it out in a systematic form for the Court or any other body to use. The International Law Commission is of course not the only body doing this kind of work. Every treaty or convention agreed upon between countries contributes towards giving a more accurate statement of the law. There are various regional bodies of jurists who are working on similar problems of codification on a regional basis, such as the Inter-American Juridical Committee. The International Law Commission differs from these, however, in that it reports directly to the General Assembly of the United Nations and has, therefore, a world-wide audience for each of its recommendations. The significance of this can be seen in the Conference on Diplomatic Relations and Immunities which took place this year in Vienna and which was attended by 81 countries. Rules adopted by this conference were originally prepared in draft form by the Commission and the recommendation that the conference be held was also made by the International Law Commission. These rules formed, in effect, an authoritative version of diplomatic custom and practice that has grown up over the centuries.

In an era in which the relations among countries are becoming increasingly complex and in which the size of the international community is growing almost from day to day, it can easily be appreciated how important it is to have firmly acknowledged rules governing the day to day behaviour of the members of this community.

No. 56

FOR IMMEDIATE RELEASE
THURSDAY, JULY 14, 1960.

The Secretary of State for External Affairs, The Honourable Howard Green, today announced the appointment of Mr. Marcel Cadieux as Deputy Under-Secretary of State for External Affairs in succession to Mr. R. M. Macdonnell, who became Secretary General of the International Civil Aviation Organization in 1959.

Prior to this appointment, Mr. Cadieux was Assistant Under-Secretary of State for External Affairs and Legal Adviser to the Department; he was responsible for legal, European, consular, and information affairs.

Mr. Cadieux was born in Montreal on June 17, 1915. He was educated at André Grasset College, Montreal, and the University of Montreal (law, social, economic, and political science). Before joining the Department of External Affairs in 1941, Mr. Cadieux took post graduate studies (in constitutional law) at McGill University and practiced law in Montreal.

Since entering the Department, Mr. Cadieux has had a distinguished career in the Foreign Service, having held a wide variety of posts both in Ottawa and abroad. Assigned to London in 1944, he was transferred to Brussels a year later and was thus given an opportunity to study problems of reconstruction in post-war Europe and to familiarize himself with the operation of Canadian missions abroad. After his return to Ottawa, in 1948, he became at the age of 33, head of the Department's Personnel Division. In this position, Mr. Cadieux was associated with the development of the Department's recruiting, promotions, posting, and establishment policies at a time when it was undergoing a period of rapid expansion.

In 1954, when Canada agreed to serve with India and Poland on the Commissions set up by the Geneva Conference, he became senior political adviser to the Canadian Commissioner, International Supervisory Commission, Vietnam. He returned to Ottawa in the spring of 1955 to become head of the United Nations Division until his appointment as Assistant Under-Secretary on December 1, 1956. In this position Mr. Cadieux was in charge of the planning group of the Government Hospitality Committee which made arrangements for the visit of H.M. Queen Elizabeth and Prince Phillip in 1957, and of H.R.H. The Princess Margaret in 1958.

Mr. Cadieux has attended many international conferences: in particular, the Conference of Allied Ministers of Education, London, 1944; the Paris Peace Conference, 1946; and lately, the Conference on the Law of the Sea in Geneva, 1958 and 1960, as Vice-Chairman of the Delegation. Attention: Mr. B.M. Williams

Dear Sir,

This refers to your letters of November 27, 1957, in which you request an extension of the Acting Promotion Certificates for two of your employees, namely: Mr. Joseph David Romeo Marcel Cadieux, Foreign Service Officer 9 in position EXT-2 and Mr. Seaman Morley Scott, Foreign Service Officer 9 in position EXT-695.

Circular Letter 1957-25 applies to temporary employees only and both Mr. Cadieux and Mr. Scott are permanent employees. As a terminating date was not mentioned on their Acting Promotion Certificates and as the effective dates are May 22, 1957 and July 22, 1957 respectively, it will not be necessary to issue new certificates for either of these employees until April 1, 1958 (Paragraph (c) of Circular Letter 1954-30).

Unless additional information is received regarding details not now apparent, no action will be taken as a result of your requests of November 27th.

Yours very truly,

M.M. Maclean,

Dear Mr. Williams:

Mr. Bates has asked me to thank you for your letter of July 12th, in which you told him that Mr. Marcel Cadieux had kindly agreed to speak on "Canadian External Relations", to the Fourth and Fifth Senior Staff Courses of the Corporation. Mr. Bates is most grateful to the Under-Secretary of State for External Affairs and to Mr. Cadieux for their ready co-operation.

As I told you over the telephone yesterday, I think that there was a slight typing error in your letter and that the date "September 28" should read "September 20". I understood from you that this date would be convenient for Mr. Cadieux.

Mr. Cadieux advised Today July 19/57.

I also told you that I would get in touch direct with Mr. Cadieux in the course of the next few days, giving him further details about the courses and the methods normally used by speakers to these courses.

Yours sincerely,

The President of Central Mortgage and Housing Corporation has enquired whether Mr. Holmes or Mr. Cadieux would be available to speak at the Fourth and Fifth Senior Staff Courses of the C.M.H.C. which will be held on Friday, September 20, and on Friday, November 1. Mr. Bates is hopeful that, if either of these officers could undertake this assignment, they would be prepared to speak on "Canadian External Relations".

2. As soon as we can confirm to Mr. Bates that one of these officers will undertake this task, he will give them detailed information about the purpose of these Staff Courses. Would it be possible for you to sound out Messrs. Cadieux and Holmes about this matter? The Secretary,

O t t a w a.

I refer to the letters of April 30, 1957 and May 6, 1957 addressed to you by the Under-Secretary of State for External Affairs and the Secretary of State for External Affairs, respectively, concerning the proposed transfer of Mr. R.M. Macdonnell and the acting promotion of Mr. M. Cadieux.

As you know, it became necessary shortly after these letters were forwarded to reconsider the date on which it was proposed that the changes should become effective. Mr. Macdonnell has now been appointed Ambassador to Egypt effective May 22, 1957.

I should be grateful, therefore, if you would amend the transfer form concerning Mr. Macdonnell and Requisition No. 5462 of April 29, 1957 concerning Mr. Cadieux to read "effective May 22, 1957" instead of "effective May 10, 1957".

Would you also please amend the effective dates for the following moves which were requested on April 29, 1957 to read "May 22, 1957":

Mr. Henry F. Davis to EXT-691
Mr. C.P. Kidd to EXT-27
Mr. R.L. Rogers to EXT-629
Mr. F.G. Ballachey to EXT-44
Mr. J.O. Parry to EXT-58
Mr. J.A. Beesley to EXT-189

The moves mentioned above were made, of course, before it was known that the effective dates of the appointments of Mr. Macdonnell and Mr. Cadieux on which they depend would be subject to change.

May I express my appreciation for your co-operation in releasing Mr. F.X. Houde from his duties in the Division to participate in the marking of the Foreign Service Officer Competition. I realize that the absence of even one officer from the Division, especially just before the holiday season, can create serious problems and I should like to thank you for your willingness to aid us in this important task.
