RT. HON. STEPHEN HARPER (Prime Minister of Canada): Ok, everybody's ready? First of all, I want to thank everybody for coming, joining us today. I'll just point out I'm joined by our Minister of International Trade, Ed Fast, and also pleased to be joined by the Governor of the Bank of Canada, Mark Carney, who also double-hats now as the head of the International Financial Stability Board. So I'm delighted you could join us, Mark.

Nous sommes ici avec vous aujourd'hui, des représentants des communautés d'affaires à travers le monde qui s'intéressent beaucoup à notre performance supérieure pendant cette période de difficulté mondiale, et nous sommes chanceux d'avoir la possibilité d'entendre leurs préoccupations et leurs idées pour la création d'emplois au Canada.

We're going to have a discussion, obviously, on the global and the Canadian economy. As I think everybody know, we've been doing relatively better during a period of considerable global trouble, but we're continually looking at ways that we can improve our performance and create jobs for Canadians. So I do want to thank everybody for being here, and being able to spend the week with us. Merci beaucoup, thanks everyone.
