LEVEL 2 – GENERAL INFORMATION			
DESCRIPTION OF LEVEL 2 ORGANIZATION AND ROLES: CFD produces the long term (20 year) Defence plan that guides concept development, experimentation, acquisition and fielding of new capabilities.			
VISION: CFD is the recognized leader in CF force development. CFD designs and builds an effective, integrated and responsive military force capable of playing a major role in protecting Canada and Canadians, defending North America and contributing to International stability. Using a top-down approach CFD provides the strategic context, which provides force development activities and brings centralized coherence to capability based planning, capability management and joint capability production.			
MISSION: CFD will harmonize, synchronize and integrate the force development activities of the CF in order to produce strategically relevant, operationally responsive, and tactically decisive military forces.

LEVEL 2 – GENERAL INFORMATION			
DESCRIPTION OF LEVEL 2 ORGANIZATION AND ROLES: The role of CFSU(O) is to provide centralized support services to all components of NDHQ and assigned units within the NCR. The Unit provides administrative support to approximately 16,000 personnel employed in the NCR and to 500 military members serving outside Canada. In addition, the officer appointed to command the unit is a Commanding Officer who holds the title of Commandant and is the CO for all personnel of the rank of LCol and below on the strength of NDHQ.			
VISION: Service and support our customers brag about and accountability our stakeholders admire.			
MISSION: To facilitate the missions of all components of NDHQ as well as other assigned units within the National Capital Region (NCR), Canadian Foreign Attaches and designated UN Missions through the provision of mandated personnel, technical and infrastructure support services.

LEVEL 2 – GENERAL INFORMATION			
DESCRIPTION OF LEVEL 2 ORGANIZATION AND ROLES: CDLS(L) is both a unit of the CF and a division of the Canadian High Commission in London and a section of the Canadian Embassy in the Republic of Ireland (ROI). The main effort of CDLS(L) is concentrated on fostering bilateral defence relations with the UK and ROI, and the representation of Canada's and DND's interests within the UK Ministry of Defence, and other defence-related agencies and industry. CDLS(L) is undergoing a transformation to align its resources into three main areas: Defence Diplomacy, facilitation of Joint Support and Joint Operations, and Exchange and Liaison management.			
VISION: Maintain a highly motivated team of defence and single service advisers supported by dedicated military and civilian employees, serving DND and CF interests in the UK and the Republic of Ireland (ROI). CDLS(L) will become the focal point of all bilateral CF within these countries. It will focus on both joint and individual service strategic and operational level issues, and will enhance interoperability, deployability, modernization, and quality of life for its personnel and their families. It will pursue a coherent and effective exchange, liaison and student program in the UK.			
MISSION: Provide liaison, representation, coordination, and monitoring between the DND/CF and the MOD/British Forces, Irish Defence Forces, defence industry, and other appropriate agencies to support DND and CF activities.

LEVEL 2 – GENERAL INFORMATION			
DESCRIPTION OF LEVEL 2 ORGANIZATION AND ROLES: CDLS(W) is divided into three main parts: the accredited Attaché group in Washington, the delegation to the IADB in Washington, and the URS support team in Washington. The CDLS(W) Attachés, the IADB Delegation and Liaison Officers substantially support the DND Corporate Priorities and assist in facilitating CF Transformation. The cell assigned the URS function is largely focused on a supporting role.			
VISION: In collaboration with colleagues in embassies and members of the Permanent Delegation to the OAS, to be the primary enabler of a superbly productive defence relationship with the USA, Jamaica and the Dominican Republic in particular, and other hemispheric partners in general.			
MISSION: The Mission of CDLS Washington is to enable successful Canada-US defence relations, and to improve CF engagement in the hemisphere, ultimately enhancing the inter-operability as a key component of excellence in CF contingency operations.

LEVEL 2 – GENERAL INFORMATION			
DESCRIPTION OF LEVEL 2 ORGANIZATION AND ROLES: The role of the NLR is to act as a conduit for military liaison between DND/CF and Allied Command Transformation (ACT). In addition, the NLR exercises command and specific support responsibilities related to CF members and DND civilians assigned to ACT units in North America and Europe.			
VISION: The Canadian NLR and CF members assigned to ACT are committed to the achievement of ACT strategic goals while providing first class support to transformation programs and emerging priorities. CF Transformation is a key national objective which is further advanced and strengthened through cooperation and participation in NATO's transformational agenda and efforts.			
MISSION: The primary focus of ACT, is on transforming and improving the military effectiveness of the Alliance through coherence and accountability of interoperability elements: doctrine, C2 and standards, as well as management of comprehensive programs for training, lessons learned and concept development and experimentation (CD&E).

LEVEL 2 – GENERAL INFORMATION			
DESCRIPTION OF LEVEL 2 ORGANIZATION AND ROLES: The role of the NMR is to act as a vehicle for military liaison between national defence ministries and SHAPE. In addition the NMR is assigned national command and support responsibilities in respect of CF members assigned to NATO in Europe and the UK.			
VISION: It is our vision to foster a work environment that is progressive and strategically focused permitting us to achieve our operational mandate in co-operation with Allied Command Operations units and NMRs and their staffs. We will ensure that every CF member serving within Allied Command Operations is gainfully employed, making a valuable and significant contribution to Canada's presence in NATO. We will strive to provide our serving CF members and families with the highest quality of support services possible by responding and satisfying their needs, to the extent possible, within the confines of current regulations.			
MISSION: The mission of the Canadian NMR to SHAPE is to facilitate the timely and accurate flow of information between the Supreme Allied Commander Europe (SACEUR) and the CDS and to provide oversight to CF support services in Europe.
