## INSTRUCTIONS

1. This cover must not be folded under.
2. File should be retained no longer than is absolutely essential. If a file is frequently needed at short intervals, it is better to B.F. it for two or three days than keep it out of Central Registry indefinitely. This ensures its being completed and kept in order and also gives other officers an opportunity of using it.
3. Central Registry must be notified whenever a file is passed directly between one official and another.
4. All outgoing letters should bear the official file number and originator's designation.
5. ONE SUBJECT—ONE COMMUNICATION—Where the contents of outgoing letters necessarily refer to more than one subject, the originator will prepare additional copies for attachment to relevant files.
6. Correspondence must not be removed from file, except as provided in the regulations governing the conduct of correspondence.
7. Incorrectly filed material will not be removed without notification to Central Registry.
8. Official office designations are to be used for routing purposes.
9. Disposal entries on file jackets must be initialled and dated.
10. Urgent Tags, flags and other markers will be removed in Divisional Offices as soon as appropriate action on the folios has been taken.
11. Officials are reminded that strict adherence to the security regulations is essential when dealing with classified material.

Principal's Monthly Report - Hostel

It has been standard procedure for hostels to complete a report omitting part 3 and 5 if the information is not available for these sections.

A study of necessity and revision of Principal's Monthly Report is in progress and your suggestion will be given consideration.

It would be appreciated if these reports were forwarded as they are still required for certain information.

Albany Res. School and Moose Fort Res.  
School - Principal's Monthly June Report

Further to your letter of July 20, 1962, concerning the above mentioned topic, the Branch appreciates the difficulties of air transportation.

In spite of these difficulties, the operation of schools should not be unduly interrupted as it places the Indian pupil at an educational disadvantage.

You are requested to review ways and means of ensuring that the pupils are given a complete school year training without submitting them to unrealistic travel hazards.

MEMORANDUM TO FILE

Re: Albany Res. School and Moose Factory Res.  
School - Principal's Monthly June Reports.

No explanation is given for the poor attendance at Moose Factory Residential School but it would appear that children were removed from the Residence before the end of June. The report states that children were removed early from Albany Residential School.

It is recommended that schools should be informed of the early withdrawal of pupils in order to avoid unnecessary educational retardation.

MEMORANDUM TO FILE

Re: Moose Fort Seasonal School

Every effort should be made to close this seasonal school as Moose Factory has excellent residential and day school facilities.

Note: It appears that the teacher is anxious to have this school continued.

44/23-16-467

MOOSE FORT SEASONAL SCHOOL.

Moose Fort has operated a seasonal school for several years for students who are absent from the Provincial School for a period of the year and for students who fail to enroll as regular day pupils.

Enrolment during the 1960 summer months fluctuated between 18 and 28. Of this number approximately 50 percent were enrolled in the day school during the year.

Since Moose Fort has a Provincial Day School and a Residential School, it is difficult to understand this situation. It would appear that arrangements could be made to enroll these children as day pupils and provide temporary accommodation during absence of parents or in extreme cases enroll the children as residential pupils.

Since seasonal education does not furnish sufficient instruction to produce good results, it would appear advisable to channel the present seasonal into the Provincial Day and Residential Schools and to discontinue the operation of a seasonal school.

4. All outgoing letters should bear the official file number and originator's designation.
5. ONE SUBJECT—ONE COMMUNICATION—Where the contents of outgoing letters necessarily refer to more than one subject, the originator will prepare additional copies for attachment to relevant files.
6. Correspondence must not be removed from file, except as provided in the regulations governing the conduct of correspondence.
7. Incorrectly filed material will not be removed without notification to Central Registry.
8. Official office designations are to be used for routing purposes.
9. Disposal entries on file jackets must be initialled and dated.
10. Urgent Tags, flags and other markers will be removed in Divisional Offices as soon as appropriate action on the folios has been taken.
