Dear Comrades,

Our Tribune drive has picked up a little speed in the last week, but the chances of successfully closing it by June 15 still depends on every party member in the province doing a minimum share. The Executive continues to appeal to you to fight for the Trib. We can still close the drive successfully!

In your case, your suggested quota was \$ 60.00.  
Of this, \$          has been received. Your campaign is therefore for \$ 60.00.

The Executive urgently appeals to you to make the Trib campaign our Number One task for the next 10 days. Let all party comrades make their pledges and donations, arrange to have friends canvassed for donations, see all the readers in your area. If this wont cover your obligation, arrange the balance so that it is repaid by some future social affair.

This is the fight for the Trib! You are being called!

Comradely yours,

W. A. Tuomi

URGENT and IMPORTANT

June 11, 1958

To Provincial Committee Members  
To All Clubs  
To All Members at Large

Dear Comrades,

Our drive for sustaining fund for the Canadian Tribune is in such a serious condition that only emergency action now can save it.

The enclosed report is the latest on the results that we have obtained in Alberta. It reflects the crisis in which our campaign stands. We are now endangering the very life of our paper.

The Provincial Executive has taken on itself the responsibility to see that our drive does not hurt the Tribune. We will guarantee our paper the full un-raised balance of our \$1,500 quota at the end of this campaign. We will do this by issuing a check for the total that we have not raised. The check will be dated for July, and when it comes due it will have to be met because the Tribune will discount the check and draw the cash immediately. We will, actually owe the money to a bank.

What the Executive is doing is mortgaging the Tribune campaign in your area.

On June 11, this means that with \$ 100 raised, on your quota of \$ 600, we are cashing your balance of \$ 500 even before it is raised.

This is emergency action, but the Executive feels its responsibility for the Trib so keenly that we are doing it rather than cripple the paper.

We have to appeal to you again to do two things:

- (1.) Send in all Tribune cash that is on hand. Discuss the Trib emergency and see if you can take action that will clear your share of the quota immediately -- even if it means loans against your future activity for the paper. All amounts that can be raised, loaned or collected need to be in Edmonton by Monday night, June 16. A maximum is needed. It will reduce the amount of the post-dated check and save money for the Trib.
- (2) Step-up Tribune activity into a campaign for the next four weeks so all quotas are raised and over-subscribed.

Fight for the Trib!

Comradely yours,

Dear Comrades,

An up-to-date report on the Tribune drive is enclosed. The improvement in our standing is very encouraging.

With regard to the post-dated cheques with which we completed our payment to the Tribune, this is our own position:

- \$250.00 due on July 4 -- covered in full
- \$200.00 due on July 25 -- need \$182.80
- \$200.00 due on Aug. 15 -- need \$200.00

It is these figures that account for the urgency of the appeal of the Executive to all party comrades to continue the fight for Trib sustaining fund. In order to complete our quota this year, everyone's help is needed. As reminder, you are still \$      short of your suggested quota on this date. The Executive appeals to you to be sure that it is raised.

Separately we are forwarding you a copy of a very important statement of our National Office on our work in the Jewish field. We urge that the whole statement be read and discussed at your next club meeting. It should be included in your study of the party's draft program, and in a review of the struggle against revisionism in the Canadian party. It will appear in the next issue of "Marxist Review" for individual study.

The letter from Comrade Buck, containing an appeal for help from the Israeli Party, illustrates the struggle of our party for working class position in the Jewish field. Our response in the defense of Jewish and Arab workers in Israel can sharpen the struggle against Zionism and bourgeois nationalism in Canada.

We are now in the difficult situation where there are three separate appeals for funds in our party. We urge that you should treat them in this order:

- (a) Consider the Trib as top priority. The fight for the Trib is the fight for our party. It should be based among our closest friends who can readily understand the need of a central organ for our movement.
- (b) Make the appeal of the Israel party an internal party job, except where there are Jewish people who can be won to contribute. Make your donation very nominal -- a couple of dollars. Our donations will indicate a political position rather than a decisive financial contribution.
- (c) Take the appeal of the peace movement to CCFers who can be won to rally around William Irvine and H. Bronson.

Yours,

W. A. Tuomi

(Exec. Executive)

I am enclosing the latest of our Tribune drive reports to give you the last figures on what we have done. You'll note that we increased our total by ~~2250.00~~ <sup>195.40</sup> in one week.

You will recall that last week's letter on the campaign outlined what the Executive had to do in order to save the campaign and the paper from extreme difficulties.

On Monday of this week, I sent away all the cash that was on hand, borrowed another \$112, and thus provided the Trib with \$250.00 of cash that could be used immediately. On top of that I sent them the following checks:

- \$250.00 due on July 4
- 200.00 due on July 25
- 200.00 due on August 15

This gave the Tribune its full \$1,500 for this year from Alberta.

We in Alberta now have the job of meeting the loan and the checks as they come due. It would be far better for us if we met the checks immediately and clean up the whole thing.

In order to do it we will need to raise the full quotas in every part of the province.

For the Valley, the figure suggested was \$60. Do you think, \_\_\_\_\_, that you could persuade the committee there to act in this emergency now and do things that will raise the money as soon as possible. I feel that if we leave it for a while, we won't get it done -- the Stampede will take a lot of cash out of the Valley.

Will you take this up, \_\_\_\_\_? and would you drop me a line soon?

Yours,  
John L. ...

4. It will be noted that there were 335 Party members in Alberta in 1955, 244 in 1956 and 226 members up to the end of March, 1958. The figures quoted above should be extremely useful in reporting on L.P.P. clubs at points mentioned.

5. With reference to the clubs at East Coulee and Newcastle, it was previously reported by Drumheller S. & I. Section that these clubs were merged in early 1957 and now operate under the name of the Newcastle Club.

6. In referring to the Innisfree Club, it will be recalled that Ray GARNEAU recruited five new members at Stubno in March, 1958 and these members were temporarily assigned to the Innisfree Club until their own club started to function.

Dear Bill:

*CR.*

As you see I am still holding my grounds in Coleman and waiting for that moment notice.

I read the resolution from last NC. meeting and there lot of work to be done, but it is very hard to move our Com. Tony, -but still I am going to make another attemp and if he does not move then I will get the people without him(He is some how depressed now for losing his father).

Enclosed you will find money order for twenty dollars as contribution for me and Pauline. You could distribute this donation as you see fit. Some of the <sup>money</sup>dividends I am holding back as we may have need for money for our local needs.

As this may be my last letter before I go, I wish you a success in our work. It is too bad I will have no time to see com Tim while his tour in the West.

With Com. greetings to both of you from both of us.

3. The first session of the Convention was opened at 10.00 a.m. of Saturday, March 16th with an official welcome address by Wm. TUOMI. The next item on the Agenda was the nomination and election of the Convention chairman, secretaries and various committees. Members were elected as follows:-

Chairman - Steve MALANCHUK.

Secretaries - Wm. TUOMI and Bea LEVIS.

Two Editing Committees: Terry LEVIS, E.R. FAY and Marshall NAF, James MacPHERSON. It was agreed that observers would participate in discussions and committees but would not be allowed to voting privileges.

Resolutions Committee - Jack RECOVER, Ray GARNEAU and Molly RAICHMAN.

Credentials Committee - Jack PLANTE, Morris WILSEN and Jack SENIUTA.

Elections Committees - It was agreed that these committees would be elected later in the Convention.

4. The chairman then introduced Tom McEWEN, fraternal delegate from B.C., who spoke briefly on the work of the B.C. Party and concerning the Pacific Tribune.

5. One Mary PRICE was introduced as a visiting member of the Party from Montreal who had been either working or visiting in Calgary recently. She spoke briefly on the role of the women in the Party. She attended the Saturday sessions only.

6. The next item on the Agenda was the reading by TUOMI of the main Draft report which took some 40 minutes to read. It was then agreed that this Draft be accepted for the basis of the main Convention discussion. It was further agreed that each member taking part in this discussion would be limited to ten minutes in presenting his views and resolutions also that verbal amendments to this Draft report would be written out by the member concerned and handed over to the Editing Committees.

7. Ray GARNEAU took the floor and proposed a number of amendments prepared by his club which were all carried.

8. Bill STILWELL was the next speaker. He produced a four page amendment dealing with the work of the Party which he read stating that this amendment should replace the section on the Party beginning on Page 6, para.(4). A lengthy argument followed this proposed amendment in which TUOMI and STILWELL bitterly attacked each other in a name calling duel. The chairman finally terminated this argument when he announced that the Convention would terminate for lunch.

9. The second session opened at 1.30 p.m. with the argument between STILWELL and TUOMI commencing again until the Convention was brought to order by the chairman with the understanding that STILWELL's amendment would be tabled until the Sunday morning session. In this argument, only Ted KEMP and Jack PECOVER sided with STILWELL whilst TUOMI was supported by the majority of the other members. Jack SENIUTA, in particular, was vehement in his remarks against STILWELL and KEMP for their articles in the recent issue of N.A.M. and for their attitude whilst the Party was going through a period of crisis.

10. Dave RAICHMAN next read an amendment from the Calgary South Club concerning the compiling of a history of Alberta dealing with progressive data on economic, political and cultural matters with local committees to be set up in this regard.

11. Terry LEVIS then read a resolution from the Calgary North Club proposing that discussions should be held concerning the Pacific Tribune and Canadian Tribune with the proposal that the Pacific Tribune would serve Albertans much better. Tom McEWEN spoke in answer to this resolution suggesting that circulation for both papers could be built up with a Tribune Bureau in existence with a full time person employed and an office to be maintained. He advocated that a committee be organized which could hold discussions and correspondence with representatives from both papers regarding a Tribune Bureau in Alberta.

12. In further dealing with the Canadian Tribune, it was agreed that a Committee for the present Sustaining Fund Campaign would be elected from the floor. In this regard, nine members were nominated as follows:- Wm. TUOMI, Terry LEVIS, Frank MARICLE, Dan SHARON, Ted KEMP, Pete MARUSYK, James MacPHERSON, Dave RAICHMAN and E.R. FAY. The final results of balloting for this Committee were not announced.

13. Ted KEMP of the Edmonton South Club then presented a short amendment to the section of the Draft Report dealing with the Indians on the Hobbema Reserve.

14. E.R. FAY presented a resolution from the Wainright Club on educational periods advocating that the Provincial Committee develop a program of club educationals based directly on a study of Marx, Engels, Lenin and other progressive writers.

15. Bill HARASYM next proposed several amendments from the Edmonton East Club dealing with the sections in the Draft Report on Municipal Financing, Education and Farm-Labor Unity.

16. John BROWN of the Newcastle Club presented a resolution advocating a more drastic coal policy in Alberta and elsewhere. Convention then adjourned for supper.

17. The third session of the Convention commenced at 7.20 P.M. with Pat RYAN as Chairman. Dave RAICHMAN presented a long resolution from the Calgary South Club dealing with deviationists in the Party, stressing the need for Party unity based on Marx-Lenin principles also containing certain recommendations concerning National Convention delegates and election of National Committee members from Alberta. At the conclusion of RAICHMAN's report, he was immediately made the target of several scathing remarks directed by STILWELL and KEMP concerning RAICHMAN's statement on right deviationist policies by a minority group in the Party. After this particular dispute was settled, TUOMI and STILWELL again resumed their argument on the basis of this resolution which was eventually terminated after the Chairman ruled that this resolution would be further discussed at the Sunday morning session.

18. Next item on the Agenda was the beginning of nominations for Provincial Committee members and delegates to the National Convention. It was disclosed that 21 members would constitute the new Provincial Committee whilst only ten members could proceed to the Nat. Convention as delegates unless further paid-up 1956 dues were received in the meantime. Session then adjourned.

19. The Convention social was held from 8.30 p.m. to 12 midnight at the same location with some 75 persons in attendance. In addition to those persons previously mentioned, the following persons were noted in attendance: Helen TUOMI, Mrs. Gertrude THOMPSON, Mrs. Wm. OSTAFICHUK, Paul DMITRUK, Alf STENBERG, Elizabeth (Mrs. Marshall) NAY, John HRYCUN and Pauline (Mrs. John) HRYCUN. Tom McEWEN was the only speaker at this social. He gave a short talk on his experiences whilst in China and explained the great progress made by the Peoples' Government there.

20. The fourth session of the Convention opened at 9.30 a.m. of March 17th with Wm. HARASYM as Chairman. The first item on the Agenda was a discussion of STILWELL's amendment to the Draft Report. Following a heated discussion in which only certain portions of this amendment were accepted by the Convention members, STILWELL, in anger, made his departure from the Convention and did not re-appear.

21. Donn. G. ANDRE (Steve ANDROS) of the Coleman Club then presented a resolution from his club dealing with the Alberta educational system and proposed that the Alberta dividend of eleven million dollars be allocated to the various municipalities to bolster their educational system. A resolution on the Alberta Minimum Wage Act was also submitted by this member.

22. Some smaller resolutions were then presented by Molly RAICHMAN of the Calgary South Club, E.R. FAY of the Wainright Club and George STARK of the Calgary South Club.

Dear Comrades,

The condition of the Tribune drive demands our attention.

With four out of the six week drive used up, we in Alberta have raised only \$690.75 on our total of \$2,000. with our time two-thirds gone, we have only 34% of our total in.

While there is every possibility that the Tribune will announce the closing of the drive for the latter part of June, the extension of time alone will not guarantee that we will complete our drive successfully. We will need to work hard to finish it.

The Provincial Executive appeals directly to the leading comrades and club members in Calgary, Edmonton, Lethbridge, Coleman and Drumheller Valley to take hold of the campaign and finish it, to the exclusion of other work if necessary.

L.P.P.

*Must follow line*

The Provincial executive appeals to the club secretaries and all club members at Thornhill, Hollow Lake, Hamlin-Stry, Innisfree, Myrnam, Sundare -- an all farm club, to do an emergency job for the Tribune during the coming week-ends.

The Provincial Executive appeals to all Members at large who in previous campaigns contributed in no small measure to their success, to rally once again to help the Tribune.

The Provincial Executive appeals to all Provincial Committee members throughout the province to see in this campaign their special responsibility.

The Provincial Executive appeals to all party members to rally quickly to help the Tribune over the top in this drive, so that when the Provincial Convention opens in Edmonton on June 15, we will be able to begin registering the first successes of the "new look" at party work.

Yours for a successful Tribune campaign.

Comradely yours,  
Provincial Executive.

Mary Stoeckhoff,  
Coleman, Alta.

Dear Mary,  
Thank you for your letter of the 21st.

You mentioned that a resolution was passed asking that I come down as soon as possible to assist with organizing a Bellefleur-Blairmore club. We will meet your request as quickly as we can. At present we are considering a trip by myself to Calgary for the week of April 9th to 13th (during the miners' convention). If this is agreed upon I could come to the Crow right after. (My trip to Toronto which I was supposed to make in April has now been postponed to May). This means that I could be in the Crow for the week-end of April 14th and 15th. Would this be suitable?

The Tribune drive starts on April 15th and it might be a good idea to have a banquet or other public gathering on the 14th to start off the drive. I could speak at such a gathering.

Or perhaps (or maybe in addition to this) you could organize a meeting of all interested at the Ukrainian Hall where I could speak on the 20th Congress, the question of Stalin and so on. I think that many of our members and supporters would be interested to hear such a talk as there is a great deal of interest in and discussion of this question these days. This meeting would be mainly for those who support our movement but of course should not be limited in any way.

Congratulations on getting a new member. We hope it is only the first of many. At our Provincial Committee meetings this week-end we are going into the whole question of club life and what is holding back the building of the Party and will undoubtedly come up with some proposals quite sweeping in their demand for a completely new approach to the whole question of club life and the activity of members. We hope that Steve A. and Tony will be in for the meeting in Calgary on Sat. afternoon and Sunday morning. Any other club members are also welcome.

With best of wishes and hoping that all of you are feeling well and not troubled too much by the flu,

Comradely Yours,

Ben Swankey

P.S.

Your letter of the 28th together with the NPF and dues money arrived this morning. Thanks very much. You must have had a very fine gathering at Steve's.

Dear Ben,

First of all I want to thank you for your letter, we were sorry to hear that you couldn't make it to the show, we all feel that its time you were down.

At yesterday's meetings a resolution was passed that I contact you so that you would come down as soon as possible and organize the Bellman, Blair Club.

We got one new member in Bellman Club Mrs. Mary Wakulub <sup>(from Bellman)</sup> she paid the initiation fee yesterday but of course its too far for her to come to Copman so you see its important to have the Blair Club moving & organized.

I am not paying the money in this letter because we are holding a social at Wakulub's place

is coming etc. at which we  
hope to be able to send some  
on our N.P.F. quote as I'll send  
everything to gether this coming  
Mon. the 26th. so hard hoping.  
Also we now have a new Chairman  
Steve A. resigned on grounds that  
he is overloaded & that he has a  
nervous condition. Of course that is  
a lot of popcock! Every since he  
left he refused to cooperate with  
me and in order to have anything  
done was by force. When anything  
special came up we'd let him know  
a meeting should be called but  
he didn't care. ~~and he didn't~~  
I left things till till our regular  
meeting which was often late for  
matters which needed attention at  
once. He was criticized yesterday  
& was told that he must  
cooperate a little more so he gave  
his reasons & resigned. Till he feels  
better he said & that he'll carry  
on as a good member.

Our new chairman now is Steve Mubunetuk and I feel maybe its for the best. As it was I had to turn to Mubunetuk with the help anyway whenever we had to have something organized so here to a good future with a brand new chairman.

Were all trying to get new members in <sup>for</sup> so for they told us they'll think it over.

Right now a lot of people are having flu, we had our share Willy is having a tough time getting over it.

How is your health now? Guess hoping you are fine and hope you can make it here early in April since you're booked for this month.

Greetings from all the comrades.
