

Business Continuity Planning (BCP)

Program

Update:

- 80 % of BCP have been handed in and initial reviews complete
- Overall, most of the data has been captured.
- Some groups will require assistance to refine format to meet PS Canada standards – lexicon
- Will begin meeting groups next week to give feedback
- Outstanding BCPs – coordinators have been contacted to inform them of the availability of assistance to finish report
- Cross reference matrix to BIAs completed will be made to ensure that resource requirements are captured
- Cross reference to Level 1 BCP will also be done
