It is planned to hold private dances there for you, and other entertainments in the near future. The Secretary of the Club requests that personnel planning to visit the Club advise the management beforehand, wherever possible, so that suitable arrangements can be made for you to meet some charming young Canadians, who are interested in your welfare and entertainment.

N O T I C E S

1. TO ALL AUSTRALIANS AND NEW ZEALANDERS

All members of the Australian and New Zealand Forces on duty in Canada are cordially invited to visit the Australian and New Zealand Comforts Club, which has been recently opened at the Prince George Hotel, Toronto. The Clubroom is open at all hours and maintains copies of your home newspapers, and is a place where you may meet fellow countrymen. It is planned to hold private dances there for you, and other entertainments in the near future. The Secretary of the Club requests that personnel planning to visit the Club advise the management beforehand, wherever possible, so that suitable arrangements can be made for you to meet some charming young Canadians, who are interested in your welfare and entertainment.

2. STATION DANCE

A Station Dance under the auspices of the Women's Auxiliary will be held in the Central Repair Hangar on Thursday, Sept. 18th, from 2100 hours to 0100 hours. Hostesses from the R.C.A.F. Hospitality Club will act as partners for the evening. Single airmen are not permitted to bring partners for the evening without first obtaining permission from the Station Chaplain (P), Room 118, Administration Building and receiving a permit to the Station.

18. CLOTHING PARADES (Cont'd)

2. Notification of Clothing Parades will be published in Daily Routine Orders, two days prior to the date of the parade. A witnessing officer from each flight or section concerned is to be detailed to be present during the entire period issues are being made. Clothing Stores must be furnished with a nominal roll of the airmen who will be on parade at least 24 hours before. Clothing parade hours will be from 0900 hours to 1100 hours in the morning and 1330 hours to 1600 hours in the afternoon. No issues will be made out of these hours. No issues will be made to Airmen who are not entered upon the nominal roll provided by the Unit. No issues will be made to Airmen to Units other than the one on parade unless approval is obtained by Unit Commanders from the Senior Equipment Officer. Only issues of an essential nature will be made to Airmen whose Record of Kit has not been received from their last Unit and then only at the discretion of the Officer in charge of Clothing Stores and upon their own parade day.

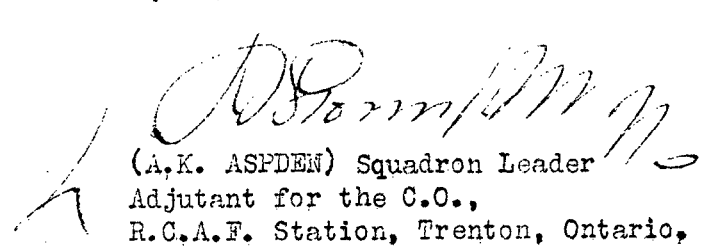

3. The wearing of Number I uniforms is to be restricted to Ceremonial Parades, daylight guards and occasions which necessitate appearance in public. Coveralls combination, are to be worn for all work likely to cause soiling or undue wearing. Consequent upon this instruction, it will be the responsibility of the Flight or Section Commander to ensure that his men have an adequate supply of coveralls to draw upon. In the future, the nature of the wearer's duties will not be accepted as a reason for early unserviceability of a garment.

4. Now that frequent replacements of clothing and footwear is no longer possible, the tidy appearance of personnel and the life of garments can be maintained only by regular and timely repair. K.R. (Air), para. 113 places on the Flight or Section Commander the responsibility for ensuring by regular inspection that garments and footwear are not allowed to fall into a state beyond economical repair.

The following is the context of a letter received by the Commanding Officer, R.C.A.F. Station, Trenton, from Air Marshal A.G.R. Garrod, C.B., O.B.E., M.C. D.F.C., United Kingdom Air Liaison Mission, Ottawa, Can.

"I am writing to thank you for the interesting and enjoyable visit which I paid to your Unit. I found it most inspiring to be able to see for myself the fine spirit, enthusiasm and efficiency of the R.C.A. F. Units taking part in the Joint Air Training Plan. You know how important this training work is in the struggle in which we are all engaged and there is no need for me to emphasize this point. If we can win the battle of training against the enemy, we have gone more than half way towards the victory to which we are all looking forward.

Please convey my best wishes to all your Officers and Airmen and let them know that the great work which they are carrying out is constantly in the minds of us all in the United Kingdom. "

Yours Sincerely,
A.G.R. Garrod.
